Applicants in India: the minimum grade point average has changed to 80% for students at all institutions, as dictated by the Ministry of Human Resource Development. The previous grade requirement for TEQIP-III institutions has been removed.

The Mitacs Globalink Research Internship is a competitive initiative for international undergraduates from Australia, Brazil, China, France, India, Germany, Mexico, Saudi Arabia, Tunisia, and Ukraine. From May to October of each year, top-ranked applicants participate in a 12-week research internship under the supervision of Canadian university faculty members in a variety of academic disciplines, from science, engineering and mathematics to the humanities and social sciences.

Mitacs Globalink Research Internships are currently available at over 45 universities across
