Schedule for Class Test - II

Entire world is adversely affected by COVID-19.

Academic schedule, assessment processes and Evaluation system has been modified by GEC Karad authority as per guidelines issued by various competent authorities on the subject matter.

Departmental meeting was held on May 27, 2020 and it is decided to execute various processes which are students centric. Course coordinators are empowered to conduct class test – II as a part of assessment process using any digital platform (may be College Moodle/ any online platform/ Google class room) convenient to students and course coordinator.

Schedule of class test – II is as under:

Date	Class	Time (11am to 1.30 pm)
03-06-2020	SY	ME 401 Applied Numerical Method
	TY	ME 602 Industrial fluid Power
	B. Tech.	ME 1814 Casting and Welding process ME 1.845 Engineering Economics and Financial management
04-06-2020	SY	ME 402 Analysis of Mechanical Elements
	TY	ME 603 Metallurgy & Quality control
	B. Tech.	ME 1801 Mechatronics
05-06-2020	SY	ME 403 Fluid and turbo machinery
	TY	ME604 Internal combustion engine
	B. Tech.	ME 1802 Energy & Power Engineering
06-06-2020	SY	ME 411 Kinematics of Machine
	TY	ME 605 Machine Design
	B. Tech.	ME 1803 Automobile engineering
07-06-2020	S Y	ME 405 Metallurgy

The course coordinators are requested to (i) declare syllabus, type of class test – MCQs/ Conventional on whatsapp group before May 31, 2020 (ii) conduct online class test of 1 Hr. duration and the test link to be open for at least three hours.
