Schedule for Class Test - II

Entire world is adversely affected by COVID-19.

Academic schedule, assessment processes and Evaluation system has been modified by GEC Karad authority as per guidelines issued by various competent authorities on the subject matter.

Departmental meeting was held on May 27, 2020 and it is decided to execute various processes which are students centric. Course coordinators are empowered to conduct class test – II as a part of assessment process using any digital platform (may be College Moodle/ any online platform/ Google class room) convenient to students and course coordinator.

Schedule of class test – II is as under:

Programme: M Tech Class (F Y)

Date	Production Engineering		Design Engineering	
	Course	Course Coordinator	Course	Course Coordinator
03-06-2020	PE 1244: Elective IV Product Life Cycle Management	Dr M S Kale	DE1213: Mechatronics and control system	Dr S P Deshmukh
