AN APPEAL

Just now we completed Stanford-TEQI survey in our institute successfully. We are thankful to all participated students who made the survey successful.

It is our pleasure to inform all students that All India Council for Technical Education New Delhi has signed MoU with **youth4work** to facilitate Job and Internship opportunities to all students. Under the agreement all students must give any 2 tests of their choice at

<https://www.youth4work.com/onlinetalenttest>

This test will **take 5 mins** and can be given from web or mobile both from anywhere. Students can give on the **college computer labs** or from homes too. It assesses student's skills like Aptitude, Communication Skills, Engineering or Management through online tests in sets of 10 questions only. The more they score in these tests, better are their chances of being contacted by Recruiters. The tests, profiling & OB/Internship opportunities is made **completely FREE for all students & colleges**

Students are invited to give the test and take advantages of Internship and Placement Opportunities. After completing the test students are informed to enrol their name in Training and Placement office of the institute. The test should be completed before 8th December 2017.

We expect 100% participation from all our students.
