Our 112 students have been offered six month pre placement internship but only **72** students accepted it and some of them are likely to join in July 2020 after their internship. That data is not included here.

* indicates result awaited or drives scheduled. Few more companies are liely to visit and placement offers may cross 250. Students of MCA other than mentioned above are doing internship in various MSME

Highest package is 12 Lakh and average package is 3.8 LPA

For year 2019-20 our final 49 year students got valid GATE score and likely to get admission in IITs and NIITs
