Academic Bank of Credit (ABC) ID

Dear Students,

The “Academic Bank of Credits” (ABC) is an educational digital platform created to facilitate students’ seamless mobility between or within degree-granting Higher Education Institutions (HEIs) through a formal system of **Credit Recognition, Credit Accumulation, Credit Transfers, and Credit Redemption** to promote distributed and flexible teaching and learning.

It's Mandatory for all students to have an ABC ID as guided by UGC and the National Academic Depository (NAD). Students should take a note of the same.

Student Registration Process Existing User of DigiLocker-

Those students who already have an account on Digilocker, they should directly **Sign In** to the **DigiLocker** (<https://www.digilocker.gov.in/>) portal. After Sign In, search for ABC ID Card in the search textbox. You will be prompted ABC ID Card on the screen automatically. Students can download the ABC ID Card for future use.

The student first needs to register or open an account at ABC (<https://www.abc.gov.in/>) portal. Before the registration process, the student must know his/her own mobile number and Aadhaar Card number. Other details like Name, Date of Birth, and Gender are also there on the Registration Form. The mobile number used for registration must belong to the student. The mobile number must be valid and functional. All communications shall be sent only to the registered mobile number by ABC portal.

Once the ABC ID is generated students need to enter and produce the ABC ID document wherever necessary like on their MIS portal at the time of admission etc.
