**Annual Report 2018-19**

## Mechanical Engineering Students' Association

Mechanical Engineering Students' Association (MESA) of Government College of Engineering, Karad works to improve and enhance the technical knowledge and non-technical skills through various events and activities conducted under the same.

### Guidance lecture for civil services aspirants

In academic year 2018-19, MESA conducted Guest Lectures under the domain of MPSC--UPSC preparations. Chief Municipal Officer Mr. Ajay Patankar was the speaker for the above domain.

### Guest lecture on industrial design

Mr. Mahesh Lokare shared their knowledge and experience in the field of design and development, production , research and employment which are the aspects of industrial design.

### Cleanliness campaign

During the National Cleaning Fortnight, MESA had organised a cleaning campaign in the department of mechanical engineering to achieve national vision of making our country clean by spreading awareness amongst the youth of India.

### 2<sup>nd</sup> rank in robowar

MESA also encourage students to participate in various technical events. Students from the Mechanical Engineering had also participated in a competition robowar at Rajkiya Engineering College, Azamgarh where the team won the second prize.

### Technical Event at Aavishakar

MESA always encourage students to come up with various activities and had also sponsored the event 'Robosoccer' in Aavishkar 2k19. With these achievements in this academic year, MESA is looking forward to arrange such imperative events to which will involve the participation of students and will help them to grow with an overall development.
