

ABOUT INSTITUTE

Government College of Engineering, Karad is a premier autonomous institute in Western Maharashtra established in 1960 due to the efforts of Late Shri. Yashwantrao Chavan. The college is affiliated to Shivaji University, Kolhapur and is acting as a vital education center for many years. Karad (mentioned as Karhad) is also believed that the Pandavas stayed in Wai, then known as 'Viratnagari', in the 13th year of exile.

The institute offers 5 UG programs in Civil, Mechanical, Electrical, Information Technology and Electronics & Telecommunication Engineering and also 8 PG programs in Civil (Construction Management & Structural Engg.), Mechanical (Heat Power, Production Engg., and Design Engineering), Electrical Engineering (Power Systems), Computer Science & Engineering, and Master of Computer Applications (MCA).

Amongst the sixteen institutes from Maharashtra state selected for participation in the third phase of Technical Education Quality Improvement Program (TEQIP-III) - an ambitious project of Government of India., Govt. College of Engineering, Karad is one of them.

ABOUT DEPARTMENT

Intelligence"**

6 - 10 January, 2025

Sponsored by:

**Directorate of Technical Education,
Maharashtra**

Organized by:

**Department of Information Technology,
Government College of Engineering,
Karad - 415124**

About the Faculty Development Program

The Faculty Development Program on Generative AI aims to provide educators with an in-depth understanding of the concepts and applications of Generative AI, focusing on its potential to push the boundaries of artificial intelligence. Through a series of interactive sessions and hands-on workshops, participants will gain practical knowledge and skills to integrate Generative AI concepts into their teaching and research.

OUTCOMES OF PROGRAM

On completion of FDP, participants will be able to

- Learn how to develop Generative AI Model.
- Understand the ethical side of Generative AI Model.
- Learn to identify the ideas of Generative AI.
- Understand the challenges of various fields.
- Learn how to augment dataset to improve machine learning performance.

CONTENTS

Training Sessions on Areas GAI, Ethical Consideration of GAI, AI in Creative industries, RAG, Conditional Generative Model, GANs, AI-ML, Cross Model Generator, Data Visualization, Neuropsychology, epigenetic AI.

EXPERTS

Experts from renowned institutes like IIT, NIT and industries will be delivering the lectures.

NOTES

- The workshop will be offline mode at GCE, Karad campus.
- Limited participated will be selected based on first cum first serve basis.
- No accommodation will be provided.
- Guidance for lodging and boarding will be provided if required.
