Annual Report 2019-20

Government College of Engineering, Karad

(An Autonomous Institute of Govt. of Maharashtra) Since 2015

Established: 1960

Annual Report 2019-20

Annual Report 2019-20

Principal's Report

Prof. Dr. A.T. Pise

Government College of Engineering Karad is one of the premier engineering institute in western Maharashtra. Since its establishment in 1960 the institute has set milestone each year. The institute is excelling each year continually in academic Programme and research infrastructure. Students are encouraged and supported financially to participate at national and international level in various Co-curricular and Extracurricular activities and sports activities for overall development. The institute's IIC cell is collaborating with industries, arranging internship, industrial visits expert lectures, R& D Projects, project-based learning and campus training of various programming languages and softwares so that students of GCE Karad can excel in his/her career.

Academic year 2019-20 has witnessed major development overall in each department as well as at institute level. This year institute has procured latest sophisticated equipment's, software's and state-of-art laboratories.

The Institute has started construction of state of art central library and new ENTC building worth of Rs. 7 cr and 8.5 cr. It will be getting ready to use in next academic year.

Another milestone is added in the GCE Karad history as this year the institute has started two new PG Programmes of M. Tech. (Design) in Mechanical Engineering and M. Tech. (CSE) in Information Technology Engineering.

The institute has modernized all classrooms into digitized and using virtual labs in collaboration with IIT Bombay. The flipped classrooms have been developed in Electrical and Mechanical Engineering Department.

The institute is acting as mentor institute of Rajikiya Engineering College, Azamgarh, U.P., India and arranged number of collaborative events for the overall upliftment's of the mentee institute.

Second convocation of autonomous batch is held in March 2020 and degrees of B. Tech. and M. Tech., MCA are awarded of respective programs.

The Institute received various grants from central and state agencies like AICTE, TE-QIP-III, DPC and DTE.

NPIU conducted performance audit of institutes. GCE Karad has ranked 1st in state and 4th in the nation. The institute has organized various FDP/STTP, conferences, employability test and training programs etc., for students and faculty to enhance their knowledge and hone their skills.

GCE Karad students team DEMONS has participated in the event SAE event BAJA, the biggest and prestigious engineering competition for the first time and has cleared virtual rounds and achieved **AIR 9. TEAM**

Annual Report 2019-20

PRATHAM participated in TIFAN 2k19 and conquered **AIR 20**.

This year has witnessed increased selection of GCE Karad students at national and state level competitive examination like UPSC and MPSC.

Faculty members and students are utilizing the enhanced research infrastructure of the institute and publishing research in indexed journals.

Central library of the institute enriched by number of national and international journals, books and many resources are digitized. For students benefits the college Moodle and MIS has made available now on internet from intranets.

Since March 2019 due to Covid-19 lockdown the institute has organized two international conferences, more than 12 FDPs, webinars and motivational talks of eminent speakers in online mode. Also, Hostels are used as Covid-19 quarantine and swab center.

The final year students of civil engineering have contributed in survey to help people in flood affected area of Sangli district.

The institute has ranked 15 in top T- Schools in all over India in the Dataquest survey 2020.

I am glad to present the efforts of the Board of Management, faculty and staff members and motivated students of GCE Karad.

1. INTRODUCTION

1.1 VISION OF THE INSTITUTE

“To emerge as a technical institute of national repute, driven by excellence in imparting value-based education and innovation in research; to face global needs of the profession”

1.2 MISSION OF THE INSTITUTE:

“To create professionally competent engineers driven with a sense of responsibility towards nature and society”

2. OVERVIEW

2.1 History and journey

Government College of Engineering, Karad is one among seven engineering colleges established by State Government of Maharashtra and first among those that established post-independence. The prime objective of establishing college was to impart quality technical education to the youth in rural part of Maharashtra. Basically, three institutes i.e. Engineering College, Government Polytechnic and Pharmacy College started functioning in the same premises. Other Colleges were then shifted to their independent premises and the heritage building was retained by the college.

The college was established in 1960 with undergraduate Programmes in three core branches of Civil, Mechanical and Electrical Engineering, initially affiliated to Pune University and subsequently to Shivaji University in 1972. PG Programmes (Master of Engineering) in these disciplines too were started in 1967. Till date, the institute has produced more than 13000 engineers in these disciplines as well as more than 1500 post graduate engineers. * The UG programs in Civil, Mechanical and Electrical has been 'permanently affiliated' to Shivaji University. In response to the drive of globalization and Industry needs the Institute started MCA (Master of Computer Applications) course in 1992. This was the only engineering Institute in Maharashtra to offer the MCA course in engineering discipline. Till date, this institute has produced more than 700 computer professionals serving for the needs of Industry. Subsequently in 1995 all disciplines of the institute were approved by AICTE (AICTE established in

1994). With the boom in Information Technology, Department of Technical Education, Maharashtra shouldered the responsibility of starting the bachelor's degree course in IT to cater to the need of meritorious students in this region and the new branch of engineering in Information Technology was started in the Institute from 2001. In due course of time the institute has also started an undergraduate Programme in Electronics and Telecommunications in 2007.

With the state of art equipment and well qualified faculty, the institute got accredited by National Board of Accreditation in 2006 in the three well established core disciplines by the NBA. As the process of accreditation is continuous, now the institute is prepared to go for second round of accreditation for its all disciplines. With the mission and vision to excel in the field of engineering education the institute is a recognized research center for pursuing Ph. D. in Mechanical and Civil Engineering. To substantiate the academic performance and progress of the institute brief information is provided below. Today, CEK offers five UG and six PG Programmes, and has more than 1600 students enrolled in its various courses.

CEK has a beautiful green campus of about 40 acres. All departments & laboratories are housed on the campus. Hostels accommodating more than 800 students, including 240 girl students, as well as residential accommodation for teaching & non-teaching staff of the college are available on the campus. Consciously developed, the campus has

Annual Report 2019-20

retained & increased its green cover, rich in natural flora & fauna, & provides an attraction for bird watchers. Karad is also a culturally vibrant town and boasts of being a major center of education in Western Maharashtra.

Apart from imparting professional education at undergraduate and postgraduate levels, the institute

has been extending available expertise to various Govt. / Semi- Govt. and primary objective of institute is to provide advanced technological skills & expertise to enhance teaching & academic activities. Greater emphasis is also being placed on revenue generation through utilization of facilities for providing services to the industries on commercial basis.

Milestones at a Glance

1960	Established with 3 UG programs (Civil, Mech., Elect.) affiliated to Pune University
1967	Introduced 5 PG programs (CM, SE, HP, PE, PS)
1972	Affiliation shifted to Shivaji University, Kolhapur
1979	Acquired Permanent Affiliation (Civil, Mech. & Elect.)
1992	Introduced 3 Year PG program MCA
2001	Introduced UG program in IT
2002	AICTE Sanction for PG: 18+7* (Sponsored)
2007	Introduced UG program in Electronics & Telecom.
2010	Celebrated Golden Jubilee Year
2011	Research center recognition for PhD in Mech. & Civil
2012	Institute selected under TEQIP-II
2013	Dr A. S. Pant deputed to AICTE as Vice-Chairman
2014	Research center recognition for Ph. D.in Electrical Engineering
2014	Applied for re-accreditation for 3 & fresh accreditation for 3 programs
2015	UGC granted autonomy
2016	Applied for fresh accreditation of Five M. Tech. Programs
2016	NBA Re- Accreditation B.Tech. in Civil, Mech., Elect., IT
2016	NBA Accreditation MCA
2016	NBA Accreditation M.Tech. In CM, SE, HP, PE & PS.
2017	Selected as a Mentor Institute for TEQIP III
2019	Started Two new PG Programmes in Engineering viz., M. Tech. Design & M. Tech. (CSE)

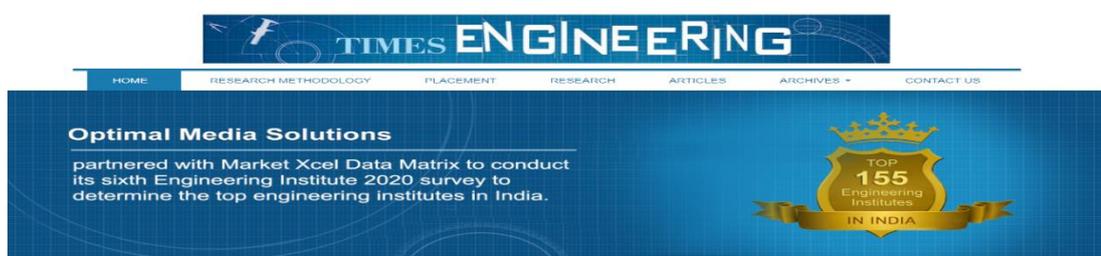

Annual Report 2019-20

2019	Mr. Harshal Bhosle (Mech. 2018 Batch) Stood First in Indian Engineering Service conducted by UPSC
2020	Mr. Prasad Chaugule (Mech 2017 Batch) Stood first in MPSC Civil Service

2.2 Institute Ranking

Ranking 2019-20

- In times ranking GCE karad stands at 27th position all over india
- In west zone ranking we stand at 9th rank
- In Top T school government ranking GCE Karad ranks 15th
- In Outlook India ranking GCE Karad got 102th rank all over India

Director's visit to institute

2.3 Location & Campus

Satellite Location:

The campus is situated in Vidyanagar, Karad. GCEK has a beautiful green campus of about 40 acres (161874 m²). All departments & laboratories are housed on the campus. Residential accommodation for teaching & non-teaching staff of the college is available on the campus. Consciously developed, the campus has retained & increased its green cover, rich in natural flora & fauna, & provides an attraction for bird watchers.

The college provides residential facilities for both undergraduate boys and girls. Due to limited vacancies admissions are merit-based. There are three residential buildings in the hostel campus. Boys' blocks are named A, B, C, and D. The total capacity of boy's hostels is 480. For girls, there is one block, namely, Jijau. This was constructed

2.4 Smart Campus

Government College of Engineering Karad is follower of Digital India and Maharashtra Digi Dhan awareness Programme. Receive nothing in cash (fee/fines/deposits) i.e. Students fee collected through the online payment system. Pay nothing in cash (wages/salaries/vendor/agency payments) i.e. payments are done by using online payment system. Faculty/staff/students use cashless systems in all

keeping in mind, the huge number of the college's girl-students staying outside. Its capacity is 240. Jijau is four storied, and the remaining buildings are three storied. For PG there's a hostel for boys with capacity of 45.

Further it comprises the principal's residence, hostel office, security room, rector's quarters, a co-operative store, and students' dining rooms.

The institute also has a well-equipped gym for students. The Gymkhana consists of Gymkhana Secretary along with secretaries of various sports and cultural committees.

The institute has a large ground for sports activities including cricket, football, volleyball, Kabaddi, and kho-kho.

payments like canteen bills, library payments and fines etc.

In addition to this, institute is marching towards the implementation of e-office concept in the administration department so all files can be stored in digital formats.

As per GoM & DTE GR Dt. 30/03/2017 starting from Academic Year 2017-18 by implementing SBI Collect first transaction on 19th June 2017

Initially Covered

- Students Fees Collection
- Canteen Bill Payments
- Outsider Payments

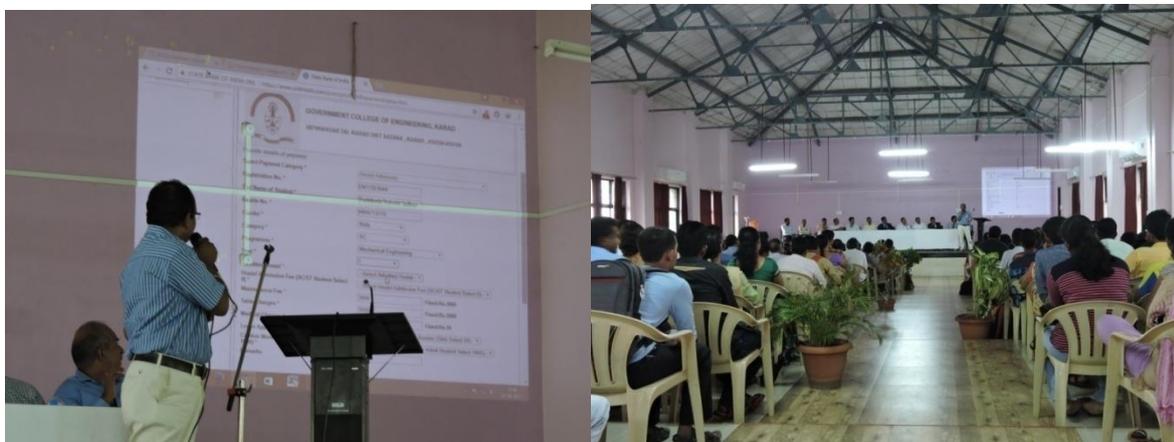

Mode of Payments...

- Internet Banking
- Debit/ATM Card
- Credit Card
- Point-of-Sale (Swipe Machine)
- SBI Buddy

- SBI e-Challan

Observations

- Unawareness
- 50% Students/Parents having SBI Debit Cards
- 40% Students/Parents having other Bank Debit Cards
- 8% Students/Parents having Internet Banking
- 2% Students/Parents having Credit Cards
- Transaction limit on Debit Card transaction fails
- Problems with RuPay Debit Card

First Year Engineering Orientation Program Explaining Payment System

Responsibilities of Academic Council Committee

- Frame and revise curricula and syllabi for the courses of studies for the various departments and centres
- Make arrangements for the conduct of examinations, appointment of examiners, moderators, tabulators and other matters relating to the examinations
- Declare the results of the examinations or to appoint committees or officers to do so and to make recommendations to the board regarding conferment or grant of degrees, diplomas and other academic distinctions or titles
- Appoint advisory committees or expert committees or both for the departments or centres of the institute to make recommendations on academic matters connected with the working of the departments or centres
- Appoint committees from amongst the members of the senate, other teachers at the institute an expert from outside to advise on such specific and important academic matters as may be referred to any such committee by the senate
- Consider the recommendations of the advisory committees attached to various departments or centres and that of expert and other committees and take such action (including the making of recommendations to the board) as warranted by each case
- Make periodical review of the activities of the departments or centres and take appropriate action (including the making of recommendations to the board)
- Supervise the working of the library of the institute
- Promote research and academic development or activity within the institute and seek reports on such research or academic development or activity from the persons engaged therein
- Provide for the inspection of the classrooms, laboratories, library and the residential hostels
- Plan co-curricular activities of the students at the institute
- Award stipends, scholarships, medals and prizes and make other awards in accordance with such conditions as may be attached to the awards
- Make recommendations to the board to disseminate knowledge through distance learning mode to various parts of the state or country or abroad and in the cases
- of signing of agreement with the foreign agency, agreement may be signed with approval of the ministry
- Make recommendations to the board to disseminate knowledge through distance

Annual Report 2019-20

learning mode to various parts of the state or country or abroad and

- Invite up to two student representatives during discussion of general nature not involving

policy or disciplinary matter in the senate meetings.

4.3 Awards and Honors

Annual Report 2019-20

Sr. No.	Department	Name of the Faculty	Achievement
1	Applied Mechanics	Dr. Y. M. Ghugal	Recipient of outstanding Reviewer Award from Elsevier Publisher, UK., 2019
2			Received Best Paper Award for a paper "A New Higher Order Shear Deformation Theory for bending Analysis of Isotropic and Orthotropic Plates with Linear Thermal Loading". Authored by Sandhya K. Swamy and Ghugal, Y.M. Presented in <i>International Conference on Innovative Realms in Civil Engineering (IRICE-2018)</i> , 24-25 January 2018. Organized by KDK College of Engineering and IE(I) Nagpur Local Centre, Nagpur.
3			Fellow of Institution of Engineers (India)
4			Google Scholar with h -index = 24 and $i10$ -index = 45 and citations = 2207
1	Mathematics	Dr. V. S. Patil	Project Evaluator for Interdisciplinary Internship 'Ideas for New Normal', G S F C University, Vadodara, India.

1	Civil Engineering	2011
2	Mechanical Engineering	2011
3	Electrical Engineering	2016

5.2 Admissions Procedure

State CET cell conducting the entrance examination. Seats are allotted as per inter-se merit. For this purpose the State CET cell shall invite applications, prepare a separate merit list for each category and admission procedure is carried centrally by Directorate of Technical Education (DTE) Maharashtra. Normally in the month of May MH- CET exam is organised for 12th passed out students and score obtained in MH- CET exam is used for creating merit list which is used for admission in all UG-Engineering Courses. For all PG Engineering courses GATE score is used to create inter- se merit by DTE. Admission to PG courses are also

done through centralized counselling conducted by DTE. Normally in the month of July counselling is conducted by DTE for all PG engineering courses. The intake capacity of all UG courses are 60. Also, Diploma students are directly admitted in second year through lateral entry admission. Counselling for lateral entry admission are done through centralized counselling by DTE on the basis of % marks obtained in respective diploma engineering branches/streams. Further details of admission procedure is available on: www.dtemaharashtra.gov.in.

Scholarships

Scholarship given by	Applicable to category	Name of the Scholarship
Directorate of Technical Education	General	Dr. Punjabrao Deshmukh Vastigruh Nirvah Bhatta (DTE)
		Rajarshi Chhatrapati Shahu Mahraj Shikshan Shulkh Shishyavrutti Yojna (EBC)
		Scholarship for students of minority communities pursuing Higher and professional courses
Social Justice and Special Assistance	SC	Government of India Post-Matric (Scholarship)
		Maintenance Allowance ofr student Studying in Professional courses
		Post-Mateic Scholarship for persons with Disability
		Post-Mateic Tuition Fee and Examination Fee (Freeship)
Tribal Development Department	ST	Post Matric Scholarship Scheme (Government of India) (Scholarship)
		Vocational Education Fee Reimbursement
		Vocational Education Maintenance Allowance
OBC, SEBC, VJNT, & Welfare Department	OBC, SEBC, VJNT	Maintenance Allowance VJNT, SBC
		Post matric scholarship OBC
		Post matric scholarship SBC
		Post matric scholarship VJNT
		Tuition fees and Examination fees to OBC Students Freeship
		Tuition fees and Examination fees to SBC Students Freeship
		Tuition fees and Examination fees to VJNT Students Freeship
NSP Minority		Scholarship for students of minority communities pursuing Higher and professional courses

6. ANNUAL BUDGET

The focus of the budget for this year is mainly on developing research and development facilities and providing academic ambience to the students and faculty.

6.1 Highlights

1. Promoting interdisciplinary research by creating interdisciplinary Center of Excellence Laboratory, Robotics, IOT, Virtual Lab, Cloud Computing
2. Improving ambience, creation of new facilities in the form of building and refurbishment & advanced equipment's / latest software's have been considered.
3. State government released funds and PWDs started construction of new Library and Electronics & Telecommunication buildings and construction of proposed SC/ST hostel.
4. To improve the facelift of the institution, garden development, eco-friendly & smart campus
6. Major & minor research projects provision has been made under R & D.
7. Enhancement of industry institute interaction through student Internship at all levels
8. Rate contract for frequently required consumables
9. To enhance employability and higher education skills by Gate classes, employability enhancement programs.
10. Heavy Budgetary provision made for overall development of the students under student clubs, student center activities, computations participation in National/International events
11. Activities are proposed in twinning program for Rajkiya College of Engineering Ajamgarh, U.P. under TEQIP III.
12. National & International seminars / workshops / conferences / FDP / CEP have been proposed.
13. Solar roof/testing & research lab will be developed through MEDA/MNRE and State Govt. funds or institutes funds
14. Gymkhana / Student Activity Center / Playground Development through DSO & Institute funds.
15. Surveillance & security for whole campus through CCTV camera.
16. Academic enrichment through services of industry / academicians/ emeritus / adjunct / visiting faculties.

6.4 TEQIP – III

Institute successfully completed second phase of World Bank aided Technical Education Quality Improvement Programme (TEQIP II) Project in the year 2016. Based on its excellent performance in second phase, the institute is selected for implementation of third phase of TEQIP (TEQIP III) in the year 2017.

Total project allocation is Rs. 700 +70lakhs. Under third phase institute modernized its laboratories by adding sophisticated equipment. The establishment of interdisciplinary laboratories is under progress.

- 2nd performance audit got 1.06 score and 1st in state level.
- 11 smart classrooms are set up.
- 21 Digital Boards for improvement in teaching learning process.
- Students were encouraged to undertake R and D projects by providing them financial aid. Financial aid up to Rs.20, 000 and Rs.50, 000 is given to undergraduate and post graduate projects, respectively.
- Regular technical tours were conducted for all classes. Industry experts and academic experts from premier institutes were called to deliver lectures to students.
- Organized National level Hackathon (Smart India Hackathon) with 50 groups (6 to 7 members) is participated and 12 groups are nominated for national level Hackathon
- Students are regularly participating in national level technical compilations like Hackathon, Epicycle etc.
- Induction Programme is conducted for first year students immediately after their admission.
- Employability skill test is conducted for all students. Third year IT, Electrical and ENTC students participated in students learning survey conducted by Stanford University for continuously two years. Students were trained in soft skills by reputed professional agencies.
- GATE training is also provided third and final year students from professional agencies. In academic year 2019-20. 100% students GATE training and 21.33 % student gate valid score.
- 22 faculty development Programmes are conducted in all branches. These Programmes

Annual Report 2019-20

- benefitted faculties from all over Maharashtra and neighboring states.
- 02 International Conference are conducted with more than 534 participated.
 - Financial aid is extended to faculty for their higher studies 05 faculties' members are pursuing PhD under TEQIP.
 - Senior faculty members are sponsored to participate in management development Programmes conducted by IIMs. All faculty members are participating in various seminars and conferences conducted throughout the country due to which faculty research publications is considerably improved.
 - Under TEQIP 06 patent are filled and 01 paten awarded.
 - International journal-51, National Journal- 11, International Conference-49, National Conference-31.
 - Institute is extending all support to its mentee institute. Number of senior faculty visited REC Ajamgarh and guided them to implement TEQIP project.
 - Under our guidance mentee institute conducted induction Programme and uploaded the SAR for Civil and Mechanical branches.
 - GCEK organized more than 07 training programs in collaboration with REC Azamgarh.
 - Under twining 2 collaborative research project ongoing (CARE Lab and ECO Enzymes)
 - Training and placement cell have assisted in improving placements.
 - Under twinning activities 32 students are participated in technical program and different WS/training programs.
 - Civil, Mech and IT department joint research project under graduation students.

TEQIP activities 2019-20 at a glance

Sr. No	Item/Activity	Expenditure (amount in Lakh)	No of Events/No of Equip/soft.	No of Beneficiary
1	Equipment's purchase	131.01	16	
2	Software Purchase	49.30	04	
3	FDP/STTP/Seminar/Webinar Conducted	37.4	22	535
4	Faculty attended FDP/STTP/Seminar/Webinar	3.2	21	49

Annual Report 2019-20

7.9 New facilities created

7.9.1 Civil Works Executed by BWC: -

As per requirement of various departments of the institute, civil works like refurbishment of laboratory, renewal of flooring, renewal of washrooms, extension of buildings, aluminum partitions for faculty cabin etc. has been executed.

Works Completed recently: -

Sr. No.	Name of Work	Date of completion	Expenditure Incurred (Rs.)
	Financial Year 2019-20		
1	Shifting of partition	29/4/2019	₹ 4,200.00
2	Material provided for ridge	9/5/2019	₹ 4,800.00
3	Removing and fixing of Mangalore tiles	9/5/2019	₹ 2,200.00
4	Fixing ridge at seminar hall (Labour bill)	9/5/2019	₹ 4,800.00
5	Providing and fixing of RCC cover for chamber in college campus	26/6/2019	₹ 22,100.00
6	Supplying M.S. angles for roofing to classroom no. 8 & 9 of main Building (FF)	26/6/2019	₹ 53,638.00
7	Providing G.I. sheet roofing below Mangalore tiles to classroom no. 8 & 9 of main Building (FF)	26/6/2019	₹ 337,766.00
8	External and internal painting of main building and workshop building (Labour only)	23/8/2019	₹ 294,103.00
9	Shifting of electrical and mechanical shed behind Workshop area	3/7/2019	₹ 208,124.00
10	Proposed renovation work for main gate	23/8/2019	₹ 299,749.00
11	Foundation for loading frame and repair of water tank	4/9/2019	₹ 45,651.00
12	Providing and fixing of Window glass all over in college campus	19/9/2019	₹ 19,161.00
13	Fixing of leak-proof material over 'J' hooks of workshop building	19/10/2019	₹ 36,094.00
14	Construction of Concrete Technology laboratory and smart classroom for Applied Mechanics Department	12/12/2019	₹ 1,269,299.00
15	Providing and fixing of aluminium partition and cabin for workshop department	17/10/2019	₹ 92,156.00
16	Renewal of class IV quarter near principal quarter, Chemistry lab, IT lab and washroom of TPO	17/10/2019	₹ 264,941.00

Annual Report 2019-20

17	Providing fencing of synthetic net to basketball court	19/10/2019	₹ 311,575.00
18	Electrical and sound work for seminar hall	24/10/2019	₹ 113,491.00
19	Supplying concrete cube mould and slump cone for BWC dept.	9/11/2019	₹ 31,152.00
20	Painting of E&TC HoD cabin, start-up room and main gate (Labour only)	5/10/2019	₹ 22,560.00
21	Painting of Nano-tech lab (Labour only)	25/11/2019	₹ 7,184.00
22	Purchase of 2000 litre water tank for staff quarter	10/12/2019	₹ 26,904.00
23	Painting Material	-----	-----
24	False ceiling repair (Material bill)	21/1/2020	₹ 4,500.00
25	Cleaning of unwanted trees on staff quarter	21/1/2020	₹ 3,000.00
26	TEQIP/ False ceiling repair (Material bill)	21/1/2020	₹ 4,602.00
27	Cleaning of unwanted trees on main building	21/1/2020	₹ 4,750.00
28	Painting of passage near C.T. lab	23/1/2020	₹ 2,770.00
29		27/1/2020	₹ 8,088.00
30	Renovation of principal cabin Toilet & ladies staff toilet	7/2/2020	₹ 307,108.00
31	PCC in front of Dispensary room	17/2/2020	₹ 4,980.00
32	Providing parking shed to E & F quarters using old parking shed material and painting of basketball court	25/2/2020	₹ 289,635.00
33	External and internal painting of buildings on campus (labour only)	7/3/2020	₹ 91,292.00
34	External and internal painting of buildings on campus (labour only)	9/3/2020	₹ 32,118.00
35	External and internal painting of buildings on campus (labour only)	20/3/2020	₹ 140,028.00
36	Providing and laying flooring at IT Dept. & Refurbishment of Nano-tech Lab	16/3/2020	₹ 272,167.00
37	Covering duct for gym in Jijau ladies' hostel, proposed Volleyball and Kho-kho ground	16/3/2020	₹ 188,854.00
38	Refurbishment of Physics Laboratory	21/3/2020	₹ 220,599.00
39	Extension of P.G. hostel (M-Block)	20/3/2020	₹ 495,403.00
40	Providing 1st major treatment for Anti-termite with drilling holes and injecting pesticides	16/5/2020	₹ 83,839.00
41	Providing and fixing sliding windows with granite frame and carpet	16/5/2020	₹ 219,044.00
42	Dean Academics first floor extension	16/5/2020	₹ 2,843,295.00

Annual Report 2019-20

43	Renovation of gent's toilets near library and drawing hall, lady's toilet near Env't. Dept. and aluminium partition to APM dept.	16/5/2020	₹ 213,825.00
44	Providing water proofing treatment to buildings within premises	16/5/2020	₹ 143,812.00
45	Providing and fixing GI sheets to office roof, control engine lab, start-up dept., TPO, alteration AMD, machine lab, IT dept., main building slab, etc.	16/5/2020	₹ 176,633.00
46	External and internal painting of buildings on campus (Material only)	19/6/2020	₹ 298,010.00
	Total		₹ 9,520,000.00

7.9.2 Civil Works Executed by PWD: -

BUILDING WORKS COMMITTEE

Government College of Engineering, Karad (GCEK) is an autonomous technical institute in Maharashtra state in India. It was established in 1960 and was affiliated to the Shivaji University till 2015 after which it became an autonomous institute. The autonomy was granted by the University Grants Commission (UGC) of India. In year 2005 Building Works Committee (BWC) was established for renovation, extension and internal maintenance of the institute. Principal is the chairperson of BWC while Prof. U. L. Deshpande, Associate Professor APM Department is member secretary with seven more members comprising a committee.

Annual Report 2019-20

Civil Works Executed by PWD: - Various civil works are executed by PWD as per requirement of the institute.

Sr. No.	Name of Work	Status	Date of completion	Amount (Rs.)
1.	Library Building	In progress	-----	542.00 lakhs
2.	ENTC Building	In progress	-----	582.00 lakhs

i) Library Building: - For the construction of proposed Library building the competition was held between the architects by the committee and three architects were empanelled from the competition. An architect was appointed for Library building to prepare architectural drawings, RCC design etc. The work is being executed by PWD and is in progress.

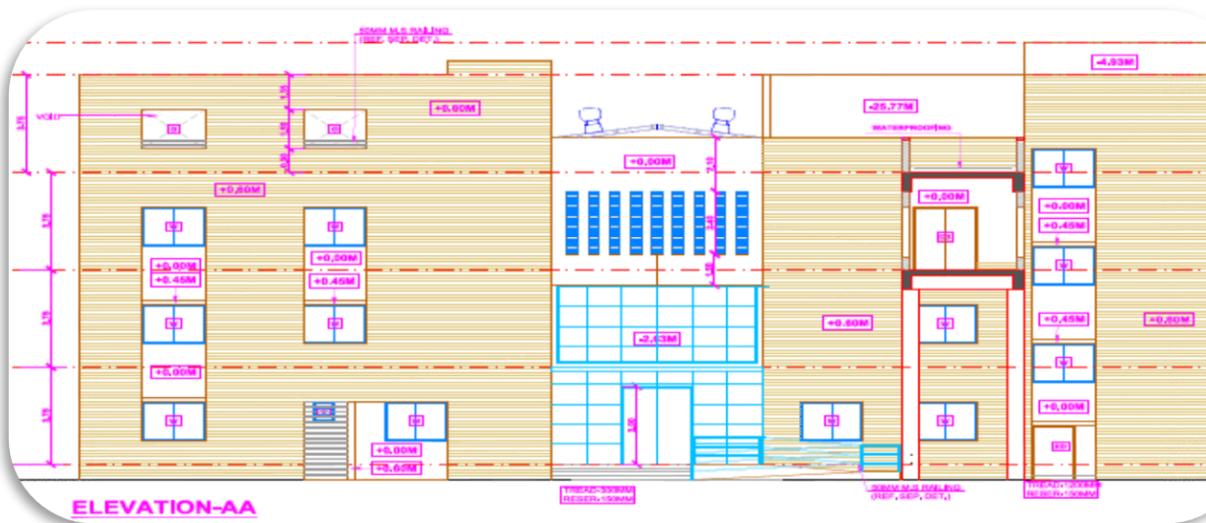

Proposed library building at GCE Karad

Construction of library building at GCE Karad

ii) ENTC Building: - For the construction of proposed ENTC building the competition was held between the architects by the committee and three architects were empanelled from the competition. An architect was appointed for ENTC building to prepare architectural drawings, RCC design etc. The work is being executed by PWD and is in progress.

New facility created in Department

Sr. No.	Department	Facility Created
1	Applied Mechanics Department	<ul style="list-style-type: none">• New Building for Concrete Technology Lab is constructed• Loading frame of 100 Ton Capacity is purchased for UG, PG and Ph.D. research work.• New Rebound Hammer is procured with remote data transfer• Data Acquisition System is procured for research in concrete structural elements• A new shear test ring developed for determination of shear strength of concrete.
2	Civil Engineering Department	<ul style="list-style-type: none">• Created academic platform on YouTube titled "Valunjkar's DigitalAcademics" for availability of technical literature through digital presentations https://www.youtube.com/channel/UC2pcw-qhbxFENfwsIIJHSXA• Academic platform on researchgate is already existed https://www.researchgate.net/profile/S_Valunjkar
3	Electronics & Telecommunication Engineering Department	<ul style="list-style-type: none">• Simulation & Control system for Robotics Development• Multidisciplinary IoT center• Multidisciplinary AI & ML center• Fiber optic test bench• Analog & Digital Communication lab, Software defined radio
4	Information Technology	<ul style="list-style-type: none">• Modernizations of Artificial Intelligence & Machine Learning Laboratory under AICTE-MODROB Scheme. 2019-2020.

8 CENTRAL FACILITIES AND SERVICES

8.1 Central Library

The Government College of Engineering, Karad central library supports Teaching, Research & and other related programmes of the institute. The Library has rich collection of documents that comprises of Books, (including rare books) Journals, Bond Volumes, Theses, Project reports, Learning Resources (LRs) & Compact discs in the field of Engineering, Science, Management, and Literature Technology & Humanities. The library has computerized data of whole of its collection using SLIM 9.0 software and computerizing all activities in the library. The Central Library has book bank scheme for all students. Open Category Backward category and social welfare book bank scheme for SC/ST students are available in the library. The library has provided 18hrs reading room facility to the students. All digital resources are available throughout the campus using Wi-Fi connectivity

Central library holds the total collection of 57982 books including book bank books accumulated over last six decades. Have 4792 Bound Volumes of Technical/Non-technical journals, Magazine. It subscribes to 64 National and International journals / magazines. This library is member of ESE (E-Shodh-Sindhu) under which we receive 208+online journals including ASCE (34) + Springer (586) + worth Rs.20.5 lakhs. It issues more than 1400 books bank sets to the students including Social welfare free book bank scheme for SC/ST scholarship holder students. Reading hall facility is available from 8.00 am to 10.00 pm for full year. Digital library under library free library has purchased and developed E-Learning recourses worth Rs.44lacks. This facility can be available from anywhere in the entire campus by students and staff as well. E books library has purchased 2284 E books worth Rs.13.40lakhs.

E books can be available from anywhere in the entire campus through intranet. Facilities as under,

Sr. No.	Particulars	Available
1	Total No. of Books / Volumes	74120
2	Total No. of Titles	22236
3	Total Cost of Books (Printed Amount)	Rs. 1,96,99,000/-
4	Total No. of National Print Journals	130
5	Total No. of e-Journals	1694
6	Access of e-Books	2510
7	Expenditure on Print Journals for the Year 2017	Rs. 2,52,461/-

Post Office:

Annual Report 2019-20

Post Office is also located on the campus for the benefit of faculty, staff and students

Gymkhana:

It serves as venue for most of the extra-curricular and co-curricular activities in GCE karad, ranging from sports to socio cultural events. Gymkhana has played an important role in the everyday life of students and in nurturing their extra-curricular talent.

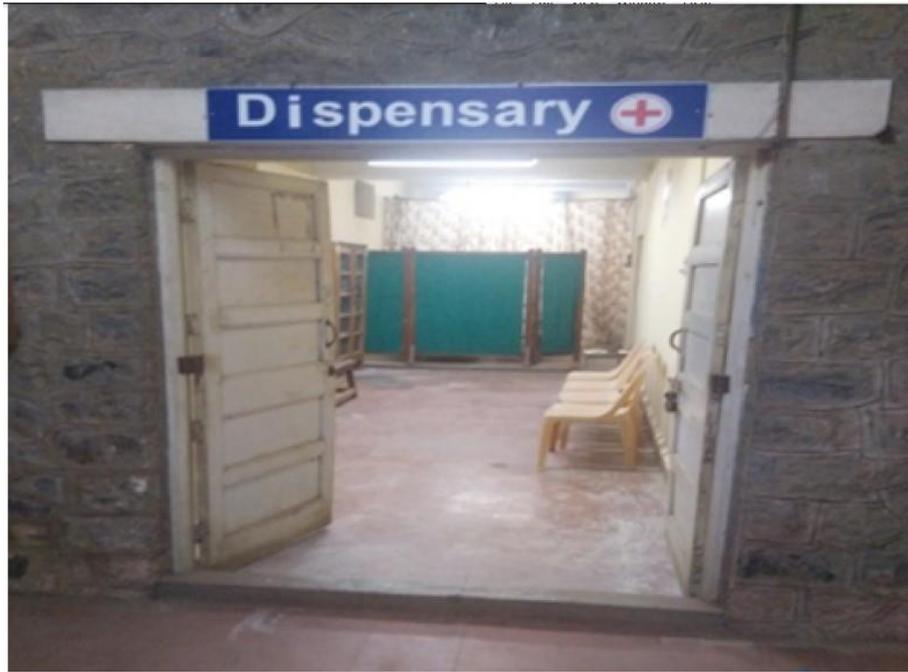

Health Centre (Dispensary):

Almost 1800 students and faculties residing in the institute campus, health issues cannot be neglected. Thus, the institute has given the students the facility of a dispensary in the campus itself with a doctor from Krishna Hospital, Karad. Appropriate MoU is established with Krishna Hospital which facilitates required doctors and medical treatment necessary for students and

faculties. Students avail the facility of free check-up and free medicines. Recently, the facility of beds has also been added to help the students in case of any emergency. Moreover, health insurance cover has been provided to the students under medical insurance scheme in which students can avail treatment for major illness at **Krishna Institute of Medical Sciences,**

Karad.

Annual Report 2019-20

Computer Center: -

The computer center is central computing facilities provided at the institute level. The center caters to various services from UG first year to final year student and PG students. It also use for online exam and campus interview. The computer center host 150 computer and printer scanner and other devise. It is equipped with networking and wifi.

Data Center: -

The Data center manages all the campus networking and wifi facility. The data center host various institute level software and application shared by all departments. The data center also provide services with different application like MIS, Library, Ansys, Attendance System, Matlab. The Data center is equipped with HP PROLIANT DL 360, IBM Sever. The data center

hosts an HPC Computing facilities with the severs with latest configuration with NVidia graphics card the general configuration is HP PROLIANT dl 380 gen10 4114 1p 8sff 5 mb5vr 1Master node and 4 computer nodes.

- Capacity – 150 computers
- Structured network
- High End Server

8.3 Clubs

1. The Dias Club

If you want to express yourself with your innovative ideas and view efficiently and elegantly then “The Dias” is the club for you! Dias focuses on developing interpersonal and public speaking skill among the students. The organizing committee of dais strives to bring out the best from students by arranging sessions

based on group discussion, debates, extempore and much more! The club has organized dais talk to set an example of public speaking. The club organises and yearly inter college competition too. The very international event of college, TEDX GCEK was organized by the same club. The club yet looks forward to arranging more and more events to beat the previous year’s benchmark!

Activity Conducted under Dias Club in Academic year 2019 – 20

I. Title of Activity: THE

INTRODUCTORY SESSION

No. of Beneficiary: 150 students

The objective of the activity: The main motto of the introductory session is to introduce the Dais Club to all the first-year students and make them familiar with the vision of The Dais Club.

Outcome of Activity: The new student got familiar with the club. With lots of curiousness, many students were involved in the upcoming sessions of the clubs and participated enthusiastically.

II. Title of Activity: Dais Session-1

No. of Beneficiary: 100 students

Objective of activity: The main motto of conducting the session on Group Discussion is to introduce the first round of The Dais- Competition for first-year students.

Outcome of Activity: With this session on GD, the first-year students got familiar with the very important interpersonal skill testing activity and were helped to improve and explore their potential.

III. Title of Activity: Dais Session-2

No. of Beneficiary: 40 students

Objective of activity: The session was on Switch Debate, which benefitted students to think on all over aspects of the topic, enhancing their communication skills, presence of mind, refurbishing their soft skills.

The outcome of Activity: It helped the participating students to achieve the desired target of the switch debate. Also, all of the students got familiar with the new topics and the quite new activity.

Annual Report 2019-20

IV. Title of Activity: PARTICIPATION IN IMPULSE“19

No. of Beneficiary: 3 OC“s of Dais Club achieved 1st Runner Up Position at Impulse“19. 3. The objective of the **Outcome of Activity:** 3 of the Dais Club members were the FINALIST in the Competition out of 400+ participants. The OC members also got the experience of learning and competing outside the college campus.

V. Title of Activity: The Dais Competition

No. of Beneficiary: 82 students

Glimpse of the complete world and learned the important skills required

VI. Title of Activity: THE DAIS CLUB WORKSHOP

No. of Beneficiary: 100 students

The objective of the activity: The main objective was to help students to build their attitude, offbeat career, career

activity: It was a mock of campus recruitment process designed to test, shape, and polish and improvise our soft skills with a tagline of “EXCEL THE EXCELLENCE”.

The objective of the activity: The aim of organizing this the competition was to reduce the inferiority complex amongst the students and motivate them for impromptu thinking and presentation.

Outcome of Activity: The participating students were guided and encouraged. They had a brilliant further. All the participants were given the certificate of participation.

building and effective communication skills.

Outcome of Activity: The workshop received a tremendous response from the students’ side, as helped them a lot to think, plan and thereby improving themselves The Dais Conclave

Photographs of the dais club workshop

VII. Title of Activity: The Dais Conclave

No. of Beneficiary: 160 students

The objective of the activity: The Dais Club has always been arranging sessions

Annual Report 2019-20

and workshops for the betterment of students and to increase their confidence. To increase knowledge about various fields and clear many doubts, misunderstanding the club organized this event.

Outcome of Activity: During the interview, many conspicuous questions were asked by the interviewers, in which the resource person explained each one to make the interview worthwhile. Students were highly benefitted as they got the answers and learned so many things.

Photographs of The Dais Conclave

2. Robo club

Vision- To implement students' idea and concepts.

A hello friend, our club was established in 2015. The main of forming this club is to participate in the "Robocon" which is an international level event organized by MITCOE Pune.

Along with Robocon, our club has conducted various activities like events

Activity Conducted under Robo Club in Academic year 2019 – 20

1. Title of Activity: -Workshop on Robotics

under AAVISHKAR, arranging a workshop on Arduino, Raspberry pi, MATLAB processing. Also, our members make different projects. One of our team made drone and participated in Techfest. Here in Robo-club you can improve and implement your subject concept, programming ability, thinking and ideas...

Duration: -22nd December 2019 to 23rd December 2019

Speaker: -Mr. Santosh, ITNium Sangali

No. of Beneficiary: -51

Objective of activity: -

To introduce basic terms of Robotics, to learn real time practical in robotics, to enhance Programming the microcontroller using ARDUINO Interface, to acquire the knowledge of different types of robots

Outcome of activity: -

Learned about real time problems using Robots, enhanced technical information about programming in robotics, Analyzed Projects using Robot, Improved the knowledge of different robots

Photographs of workshop on robotics

2. Words Worth

We don't read and write because it's cute. We read and write because we are the member of human race and this filled with passion. While engineering Architecture, Law is noble pursuits, Literature. Poetry beauty are what we stay alive for.

Dead poet's society in the sprite of the same words-worth club was formed in 2017. The goal of this club was to provide a source of literature not just to learn something or study something but enjoy, to imagine and to live something

extraordinary. This club provides a way to read your favorite books and to grow as a community. We believe that it is important for the students at this college to read outside the curriculum to be more aware of this society and the people in it.

The club is expecting its first set of books by March-2018. It will also start conducting meeting for the book club from next semester. We encourage everyone to give it a change.

Annual Report 2019-20

Activity Conducted under Words Worth Club in Academic year 2019 – 20

I. Title of Activity: Advisement of Club (03/11/2019)

Coordinators Name: Mr. Vishal S Lodha, Miss Rutuja S Lohar and Ms. P. S. Tanurkar (Faculty Coordinator)

No. of Beneficiary: 80 + 2 (Faculty + students (all Branch))

Objective of activity: Club introduction program me for new members (**new admission students**)

Outcome of activity: To developed interest in reading books rather than technical books.

3. Yoga club

Considering the line YOGA club with the mission to help the students to achieve inner peace and outer dynamism, conducts many activities. The vision of taking students to words healthy lifestyle helped to get sharper mind and fit body.

To underline the importance of “Ayurveda” in our ancient culture ‘herb plantation’ of Be, Aloe Vera, Tulsi, Amla was carried out. Daily session of yoga in hostel was part routing for girl students

Activity Conducted under Yoga worth Club in Academic year 2019 – 20

I. Daily Session of Yoga

II. GUEST LECTURE BY Dr. Vijaya Kadam

No of Beneficiary: Student (50), faculty

Objective of Activity:

II. Title of Activity: Held the first session of interaction, book distribution and purchasing of new books

Date of Activity: 02/02/2020

Coordinators Name: Mr. Vishal S Lodha, Miss Rutuja S Lohar and Ms. P. S. Tanurkar (Faculty Coordinator)

No. of Beneficiary: 2 coordinators and 150 students (from each branch)

Objective of activity: Interaction with beneficiaries regarding available books and more purchase.

Outcome of activity: Planed computerized system Reduce manual work for issuing books and maintained record through.

warm up, sun salutation (Surya namaskar), different Asanas and Pranayama were included in it. Especially meditation filled their day with peace and joy. Guest lecture, Celebration of yoga day, sun salutation day are queued to create awareness about yoga practice and nutrition. Club and club members are enthusiastic to lead young collegians to be more dynamic, more peaceful and eternal joyous

Annual Report 2019-20

In today's rush of life, human being is very much focused in physical progress. In this hustle and bustle, he has lost all his naturalness and facing problems on physical and mental level. To be fit and

Outcomes of Activity:

Studies have shown that everyone who undergoing a regular fitness regime has a generally higher level of happiness at every aspects of life. To maintain and gain happiness in our everyday life yoga is easy and suitable for everyone to keep

fine in this unnatural and hybrid lifestyle we have great boon by ancient Indian civilization. Yoga is a mind and body practice with historical origins in ancient Indian philosophy.

fitness on good track. Makes You Confident: Did you know that fun yoga such as Pranayama make you feel confident and happy? Yes! Not just that, you find expression in what you do and feel stress-free at the same time

Photographs of activities in yoga club

4. Open source

The term "OPEN SOURCE" refers to something people can modify and share because its design is publicly accessible. Open source software who have access to computer programs source code improve that program by

adding feature to it or fixing part that don't always work correctly. Our objective is to build promote and setup open source software. We have conducted various activities under club like study open source software for our institute and society

5. Electro chasers

The Electro-Chasers club is established in 2017. The main aim of forming a club is

Annual Report 2019-20

to create awareness about recent electronic advancement in all disciplines and to motivate and help students to implement their ideas for all branch students.

In this club, we had taken a workshop on Proteus software (Circuit

designing and simulation software), conducted an interactive session on PCB printing steps. We have organized a lecture on project management by Sanjay Jogalekar. Also, under club students went to other colleges for competition. In this club, you can build concept and follow your hobby.

Activity Conducted under Electrochaser Club in Academic year 2019 – 20

I. Title of Activity: -Workshop on Software Testing

Duration: -31st July 2019 to 1st August 2019

Speaker: -Mrs. Manali Takle, ITnium, Sangali

No. of Beneficiary: -50

Objective of activity: -

To improve Fundamentals of Software Testing, to analyze the Importance of Testing in SDLC, to enhance capacity of testing in terms of software, to establish awareness of database

Outcome of activity: -

Enhanced knowledge of Software Testing, learned testing of software in detail, Developed

II. Title of Activity: -Workshop on Python Programming

Duration: -31st August 2019 to 01st September 2019

Speaker: -Mr. Nilesh Takle, ITnium, Sangali

No. of Beneficiary: -75

Objective of activity: -

To improve Fundamentals of Python Programming, to analyze the Importance of Python Programming, to enhance capacity Practical Approach towards Python Programming, to establish awareness of python programming

Outcome of activity: -

Enhanced knowledge of Python Programming, Learned Python Programming in detail, developed

Photograph of Workshop on Software Testing

Photograph of Workshop on Python Programming

III. Title of Activity: -Workshop on Basic Fundamental to Advanced MATLAB & Simulink

Duration: -28th September 2019 to 02nd October 2019

Speaker: -Mr. Gunjan Gupta, Telemate Helper Pvt. Ltd. Delhi

No. of Beneficiary: -55

Objective of activity: -

To introduce MATLAB Software Overview, MATLAB User Interface &

IV. Title of Activity: -MTA Certification on Python Programming

Duration: -30th September 2019

Speaker: -Mr. Nilesh Takle, ITNium, Sangali

No. of Beneficiary: -07

Objective of activity: -

To develop his or her career for IT related Jobs, to achieve advance

Environment, to enhance Programming in Scripts and Functions, To Learn Types of Files Created by MATLAB, to introduce Simulink Software Overview

Outcome of activity: -

Learned about Types of Files Created by MATLAB, Enhanced Applications of Simulink, Analyze Creation of scripts and Functions, Improved the knowledge of Simulink Software Overview

certifications, to use a specific technology or perform a particular IT job role, to improved skills to hiring managers and employers

Outcome of activity: -

Learned about Python & job sector in IoT, Enhanced practical Approach on Python Programming,

Photographs of workshop on MATLAB & MTA

V. Title of Activity: -Techfest event at I.I.T., Bombay

Duration: -06th October 2019

Speaker: -5 teams from electrochasers club

No. of Beneficiary: -17

Objective of activity: -

To perform various tasks like crossing hurdles, avoiding obstacles and carrying the block to the deposit region, to learn real time problem solution, to

VI. Title of Activity: -National Students Space Challenge 2019, I.I.T Kharagpur

Duration: -01st November 2019 to 3rd November 2019

Speaker: -Mr. Shreyas Mane, Mr. Ankit Mawale, G.C.E., Karad

No. of Beneficiary: -08

Objective of activity: -

To perform various tasks like crossing hurdles, avoiding obstacles and carrying the block to the deposit region, to learn real time problem

enhance the knowledge of practical approach, to analyze the analytical thinking

Outcome of activity: -

Learned about real time problem solution, enhanced logical thinking, analyze programming on different platform of projects, improved the knowledge of different platform of projects

solution, to enhance the knowledge of practical approach, to analyze the analytical thinking

Outcome of activity: -

Learned about real time problem solution, enhanced logical thinking, analyze programming on different platform of projects, improved the knowledge of different platform of projects

Photographs of workshop on Techfest event at I.I.T., Bombay

Photographs of workshop on National Students Space Challenge 2019, I.I.T Kharagpur

VII. Title of Activity: -Internship Program on Interstellar Telecommunication System, Model Rocketry and Drone Technology

Duration: -16th December 2019 to 21st December 2019

Speaker: -Mr. Dhairyashil Patil, Mr. Nitin Kumar, Mrs. Apurva Jakhadi, Mr. Indra Narayan Choudhary, Mr. T. K. Sundar Murthy, SDNx, New Delhi

No. of Beneficiary: -58

Objective of activity: -

To introduce Wireless communication terms, to learn real time practical in wireless communication, to enhance Model Rocketry approach, to acquire the Rocket simulation software

Outcome of activity: -

Learned about real time problem in Wireless communication, enhanced technical information about model rockets, Analyzed Projects from SDNx Space Academy, Improved the knowledge of different Drone UAV Course

VIII. Title of Activity: -Techfest at I.I.T., Bombay

Duration: -03rd January -5th January 2020

Speaker: -05 Teams of Electrochasers Club members

No. of Beneficiary: - 17

Objective of activity: -

To perform various tasks like crossing hurdles, avoiding obstacles and

carrying the block to the deposit region, to learn real time problem solution, to enhance the knowledge of practical approach, to analyze the analytical thinking

Outcome of activity: -

Learned about real time problem solution, enhanced logical thinking, analyze programming on different platform of projects, improved the

knowledge of different platform of projects

Photographs of workshop on Internship Program on Interstellar Telecommunication

Photographs of workshop on Workshop on 3D Augmented Reality

IX. Title of Activity: -Workshop on 3D Augmented Reality

Duration: -14thMarch -15th March 2020

Speaker: -Mr. Sumit, Infezeal Technology, New Delhi

No. of Beneficiary: -51

Objective of activity: -

To perform AR Video playback applications, to learn AR Greeting Applications, to enhance the knowledge of Unity 3D Software, to analyze the AR & VR

Outcome of activity: -

Learned about AR Applications, designing of applications on Unity 3D Software, Analyze user.

6. The Contriver

The purpose of starting the club was to create awareness about the greatest revolution after internet i.e. Internet of Thing. The world is expecting more than 50 billion IoT products by the fall of 2020 and in order to make ourselves competent, for this upcoming trend, we started this club. Under this club we plan to learn, create various aspects of your life that can be customized using IoT. In

spirit of the same, the club started a professional Python training in January 2018. The training will include everything from learning Python to build a very own IoT product using raspberry pi. The club has also planned to buy Raspberry Pi, sensors and different components so that the students would have a hand-on experience.

Activity under Contriver club in AY 2019

-20

Title of Activity: Embedded C programming workshop by Nibban Enterprises, Kolhapur

No. of Beneficiary: 61 students (Second Year B.Tech. Electronics & Telecommunication Engineering)

Objective of activity: To enhance the skills of our students on Embedded C programming, Hands on work experience to students of 8051 Interfacing with, Proteus software, Project based learning through Industry experts.

Outcome of Activity: -

7. Divine club

“Helping hands are better than praying hands”

As we are a part of society it is our responsibility to contribute for community. If you have strong desire to do so, then divine club is right place for you. Under shelter on this club we perform social activities and in correspondence to it, our college has adopted Goware village. The motto of our club is to develop Goware village in technically, socially, economically, etc. Being engineer, we try to provide technical solution to the problems faced by villagers.

Activity under Divine club in AY 2019 -20

The prerequisite for the workshop was basic introductory knowledge of 8051 Micro-controller. The programming skills of Embedded C gives added advantage to the second year B tech students. The hands-on experience of using Proteus8 simulation software for 8051 Micro-controller & its interfacing to different devices viz. Stepper motors, DC motors, switches, relays, LED's, Seven segment displays. Embedded C Programming for 8051-Time delay, I/O programming, Logic operations & Data conversion has been taken by Industrial resource person Mr. Raviraj Phule & his colleague.

I. Title of Activity: A cleaning program in flood affected area on 4/09/2019 at Shirol, Dist.- Kolhapur
No. of Beneficiary: 1000 (Shiroli town)

Objective of activity: Cleaning program in flood affected area.

We the students of divine club collaborated with NSS team of our college, and on 4thSept 2019 our team of 23 members moved to Shirol 50km from Karad.

Outcome of activity: In flood affected area we had given social service which was very much helpful to the peoples of Shirol.

II. Title of Activity: Corona Virus and ecofriendly Holi awareness program at Zilla Parishad School, Goware Tal- Karad on 13/03/2020

No. of Beneficiary: 58 students.

Objective of activity: Corona Virus and ecofriendly Holi awareness.

Outcome of activity: Students are come to know which precautions need to take related with corona virus and Holi so that we can have good health.

8. GCEK HERALD

New letter- GCEK HERALD is college Newsletter which highlights the, development of college. The newsletter also publishes institute scientific article written by staff and students there are

some real column like alumni columns like alumni corner, news from various department, ongoing activities on the campus, research problem. The newsletter is the mirror of the activities of Govt. College of Engineering Arad

9. SPIC MACAY

Society for promotion of Indian classical music and culture is a nonprofit origination to promote Indian culture and music amongst college students. Spic Macay holds musical concerts, seminar, workshops to promote music

and Indian culture in college campus. Spic Macay holds more than 1 Lakh programs per year throughout all educational campuses in India and abroad. The first program in GCEKARD was s organized by performance of Mangiars of Rajasthan

10. Aerobics & Zumba Club: -

Title of Activity: 1. Daily Session of aerobics and Zumba

Guest lecture by Tasnim Sayyad

No of Beneficiary: 50 to 60 Student, Ladies faculty

Objective of Activity: Zumba wins on Entertainment and is a better choice for those who love to Dance. Aerobics gives you a more muscular body because of body-part focus and is a good gym

replacement. This Both activities help maintain health. We are creating awareness about aerobics and Zumba.

Outcomes of Activity: 1. Studies have shown that everyone who undergoing a regular fitness regime has a generally higher level of happiness at every aspects of life. To maintain and gain happiness in our everyday life Aerobics& Zumba is easy and suitable for everyone to keep fitness on good track. 2. Makes You

Annual Report 2019-20

Confident: Did you know that fun aerobic dances such as ballroom dancing make you feel confident and happy? Yes! The more you dance, the happier you feel!

Not just that, you find expression in what you do and feel stress-free at the same time.

Photographs of Daily Session of aerobics and Zumba

11. Startup/Incubation Club: -

I. Title of Activity: 3d game and virtual reality

No. of Beneficiary: 40

Objective of activity:

To enhance the skills of our students on virtual reality, Hands on work experience on creating games in 3D module, Working in 3d module in software,

Outcome of Activity:

Learn Basic Functions of 3D Unity, design a Basic ball game using Unity Software Design an Advance ball game using Unity Software, Created Coins with animation Designing sky boxes, mountains, trees, water etc., designing a Virtual Maze game,

II. Title of Activity: Introduction of communication skills and development

No. of Beneficiary: 50

Objective of activity:

Communication Medias, Self Confidence and Self Belief, Time Management, Resume Writing, Interview Skills, Advance knowledge of Excel.

Outcome of Activity:

To develop the interview skills, Effective Resume writing, Learned to balance between personal and professional lives, A shift in mindset helped him /her to upgrade and develop himself mentally, emotionally and physically to achieve whatever he/she had only dreamt of.

Photographs of workshop on 3d game and virtual reality

Photographs of workshop on Introduction of communication skills and development

12. Competitive exam club

This club is to intensively guide the students who are preparing for competitive examinations like UPSC, MPSC, etc. the main objective of this club is to provide and develop resources and facilities for the aspirants of competitive exams.

Through this club, have arranged the **guidance lecture by Mr. Ajay Patankar,**

alumni of our college and currently working as a Chief Officer. He inspired students by sharing his entire journey. He cleared different myths and concepts regarding the exam. He also mentioned some of his personal experiences. This lecture encouraged aspirants for career in civil services.

Photograph of guidance lecture by Mr. Ajay Patankar

Club also arranged a lecture by **Mr. Shashikant Boralkar**, who gave a guideline for preparations of studies. He introduced new perspective towards examinations and showed reality about the current

Annual Report 2019-20

competition for these exams and guided us about how to prepare for different subjects in different manners.

Photograph of lecture by Mr. Shashikant Boralkar

Clubs have provided a **platform (WhatsApp group)** to the students for **interaction with current working officers** and connected aspirants with alumni of college who had cleared this exam. Clubs aspirants interacted with **Audumbar Patil,**

Tehsildar in state services, who shared his experiences with us. He also showed different paths and gave information about this sector in detail. He inspired us as well as informed us about different sector through these exams where we can give a try

Photograph of interaction with Audumbar Patil

Club has provided resources in the form of necessary books and also aimed to arrange lectures of different topics and

13.MESA (2019-20)

Activity Report

I. GRE & TOFEL Guidance lecture

MESA organized GRE and TOFEL guidance lecture on 16 Aug 2019. Mr. Swapnil Throat sir was the speaker of the session. The session was held in mechanical department classroom no 1. Felicitation of honorable speaker was done by prof. S H Patil sir. The event started at 3:00 pm and ended by 5:00 pm

Photographs of guidance lecture of Mr. Swapnil Thorat

II. Drawing competition

MESA organized drawing competition on teacher's day. This event was held in drawing hall of mechanical Engineering department under the guidance of Prof. Abhinandan Kumar Jha. 30 students

subject to help our aspirants in preparation of their exams and to help them achieve their goals.

Speaker: Mr. Swapnil Thorat (Alumni of GCEK)

ME in production engineering from GCEK in 2016

Incoming graduate in industrial and systems engineering dept with specialization in production and manufacturing systems engineering at Rutgers, The State University of New Jersey.

participated in this competition and 3 ranks were declared. The judge of this competition was Prof. S.A. Morkhade. Competition started at 5:00 pm and ended by 7:30 pm.

Photographs of Drawing competition organised by MESA

III. Teacher's day Celebration

MESA celebrated teacher's day on 5th Sept 2019. This program started at 4:30 pm in classroom 1 of Mechanical Department. All teachers were felicitated by students. Prof. Dr. R. K. Shrivastava Head of department mechanical engineering gave his

valuable guidance. Prof Dr. A.R. Acharya and Prof S.S Jadhav shared their experience. Students also expressed their gratitude towards teacher. Vote of thanks was put forth by Avdhoot Patil.

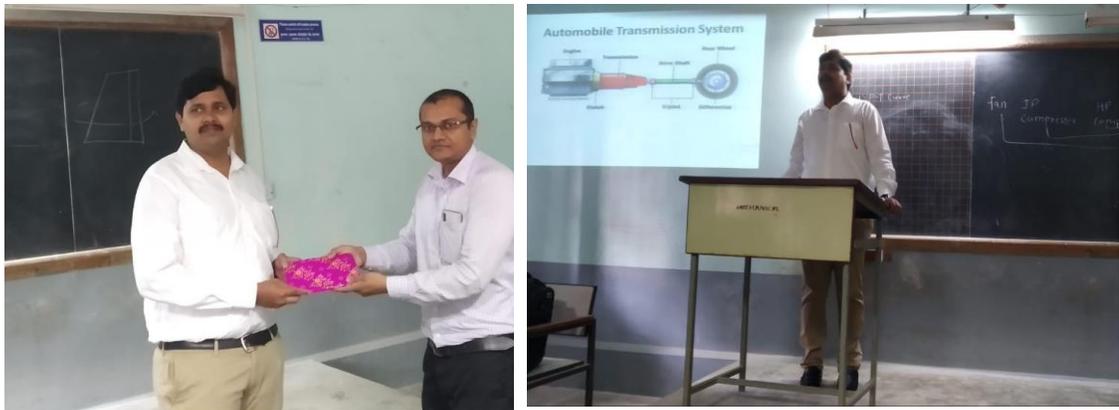

Photograph of Teachers Day Celebration Organized by MESA

IV. Session on design of Transmission system

MESA organized a session on design of transmission system on 9 sept 2019. Honorable speaker of this session was Mr. Chaitanya Kulkarni. He is currently working in Advanced Sub-System Design Integrator; Rolls-Royce India

Pvt. LTD. Felicitation of Honorable speaker was done by Prof S.H Patil sir. He guided students on the topic of Aeroplane transmission system, Failures and safety in transmission system, Gas turbines, Gearbox Design. This session started at 11: 00 am and concluded at 1:00 pm.

Photographs of expert lecture of Mr. Chaitanya Kulkarni

V. Group Discussion

MESA conducted group discussion session under guidance of Prof. S. H. Patil sir. Various topics related to recent scenario were discussed

under this session. This activity was conducted on working day from 5:15 pm to 6:30 pm in Classroom 1 of MED.

Photograph of group discussion organized by MESA

VI. Lecture on leadership and managerial skills

MESA organized guest lecture on leadership and managerial skills on 10thFeb2020. Dr. Hemlata Gaikwad was the speaker of the session. The session was held in mechanical

**Speaker: Dr. Hemlata Gaikwad
HoD Management studies, RIT
Islampur.**

VII. Lecture on career opportunities for mechanical engineers in software industries

MESA organized guest lecture on career opportunities for mechanical engineers in software industries on 8thFeb2020. Dr. M.S. Kale was the speaker of the session. The session was held in mechanical department classroom no 1. Felicitation of

department classroom no 1. Felicitation of honorable speaker was done by prof. S H Patil sir. The event started at 5:00 pm and ended by 6:00 pm. She guided students on leadership and managerial skills for budding engineers.

honorable speaker was done by Dr. R.K. Shrivastava sir. The event started at 11:30 pm and ended by 1:00 pm. He guided students on career opportunities for mechanical engineers in software industries.

**Speaker: Dr. M.S. Kale Manager-
R&D, Siemens PLM software India
Pvt. Ltd.**

VIII. Indian Engineering Services

Exam Guidance lecture

MESA organized Indian Engineering Services Exam guidance lecture on 8th Feb 2020. Mr. Omkar Throat sir was the speaker of the session. The session was held in mechanical department

14. SAE (Society of automotive engineers)

SAEINDIA is an affiliate society of SAE International, registered as an Indian non-profit engineering and scientific society dedicated to the advancement of mobility community in India. As an individual member driven society of mobility practitioners, SAEINDIA comprises members who are individuals from the mobility community, which includes engineers, executives from industry, government officials, academics and students. Principal emphasis is placed on transport industries such as automotive, aerospace, and commercial vehicles. In 1960 this prestigious institution was established.

Vision:

To be center of excellence in engineering and management education, research and application of knowledge; to benefit society by blending ethical values with globally relevant learning

Mission:

classroom no 2. Felicitation of honorable speaker was done by prof. S H Patil sir. The event started at 1:15 pm and ended by 3:00 pm

Speaker: Mr. Omkar Thorat IES AIR 31.

To gain out of the classroom engineering education, encourage research and development, to evolve innovative applications of technology and develop entrepreneurship, to mould the students into socially responsible and capable leaders.

Objectives of SAE club

- To provide members opportunities to gain broader insight into engineering professions.
- To encourage students to put theory into practice and supplement their theoretical knowledge with hands on practical training in the field of engineering.
- To foster an environment of creativity and innovation by conducting interactive practical programs. To provide students opportunities to gain experience in administrating organizational activities conducting

meetings, taking part in committee activities.

A) SAE BAJA

VISION: To be keen learners, joyful givers and confident team players

MISSION: We commit at designing quality products and to Adapt vehicles to nature rather than Adapting nature for vehicles

The BAJA SAE Series is an event for the undergraduate engineering students, organized globally by the Society of Automotive Engineers, USA. The event originated in the name of Mini - BAJA, in the year 1976 at University of Carolina. Since then, the event has spanned across six countries – USA, Mexico, South Africa, Korea, Brazil and India. The BAJA SAE tasks the students to design, fabricate and validate a single seater four - wheeled off road vehicle to take part in series of events spread over a course of 3 days that test the vehicle for the sound engineering practices that have gone into it, the agility of the vehicle in terms of gradeability, speed, acceleration and manoeuvrability

- To stimulate student participation in projects that requires the application of knowledge and promotes professional growth.

characteristics and finally its ability to endure that back breaking durability test.

Objectives of our SAE BAJA

- To provide members opportunities to gain broader insight into engineering professions.
- To encourage students to put theory into practice and supplement their theoretical knowledge with hands on practical training in the field of engineering.
- To foster an environment of creativity and innovation by conducting interactive practical programs. To provide students opportunities to gain experience in administrating organizational activities conducting meetings, taking part in committee activities.
- To stimulate student participation in projects that require the application of knowledge and promotes professional growth.
- The objective of the competition is to simulate real world engineering design projects and their related

Annual Report 2019-20

challenges. Each team's goal is to create a safe, easily transported, easily maintained and fun to drive prototype

without any direct involvement from professional fabricators.

Photographs of developing stages for SAE BAJA

Photograph of final phase of event for SAE BAJA

ACCOMPLISHMENTS:

A) Technical Events:

Sr. No.	Events Details	AIR
1	Acceleration Round	4
2	Maneuverability	8
3	Endurance Race	16

Annual Report 2019-20

4	Design Evaluation	4
5	Sledge Pull	9

B) Non-Technical Event

Sr. No.	Events Details	AIR
1	Sales and Marketing	2
2	Cost Round	Scored 74.3/100

C) TIFAN

TIFAN stands for “Technology Innovation Forum for Agriculture Nurturing”. It is basically an off-Highway board competition started by SAEINDIA. In 2010, Off-Highway board was established, which caters to the aspect of mobility engineering related to all vehicles / equipment operated in rough terrain, mining, farm

and non-track e.g. agriculture. It provides platform for connecting the bright and prosperous engineering talent available in the country with the real-life challenges of agriculture sector. Through this program students from engineering and agricultural colleges across India will participate in providing innovative solution towards product design & development challenge

Event Photograph of TIFAN Competition

D) EFFI CYCLE

- **EFFI CYCLE**” derived from Efficient-Cycle promote the objective of providing opportunity to the students to conceive, design and fabricate a three wheel configuration vehicle powered by human-electric hybrid power and capable of seating two passengers catering to the day to day mobility needs.
- The vehicle must be aerodynamic, engineered for performance & safety and ergonomically designed.
- The objective is to promote innovation and generate consciousness amongst the young engineers towards environment friendly mobility solution.
- The Competition is held in LPU, Jalandhar, and Punjab. **140** Teams all over India participate in this competition.

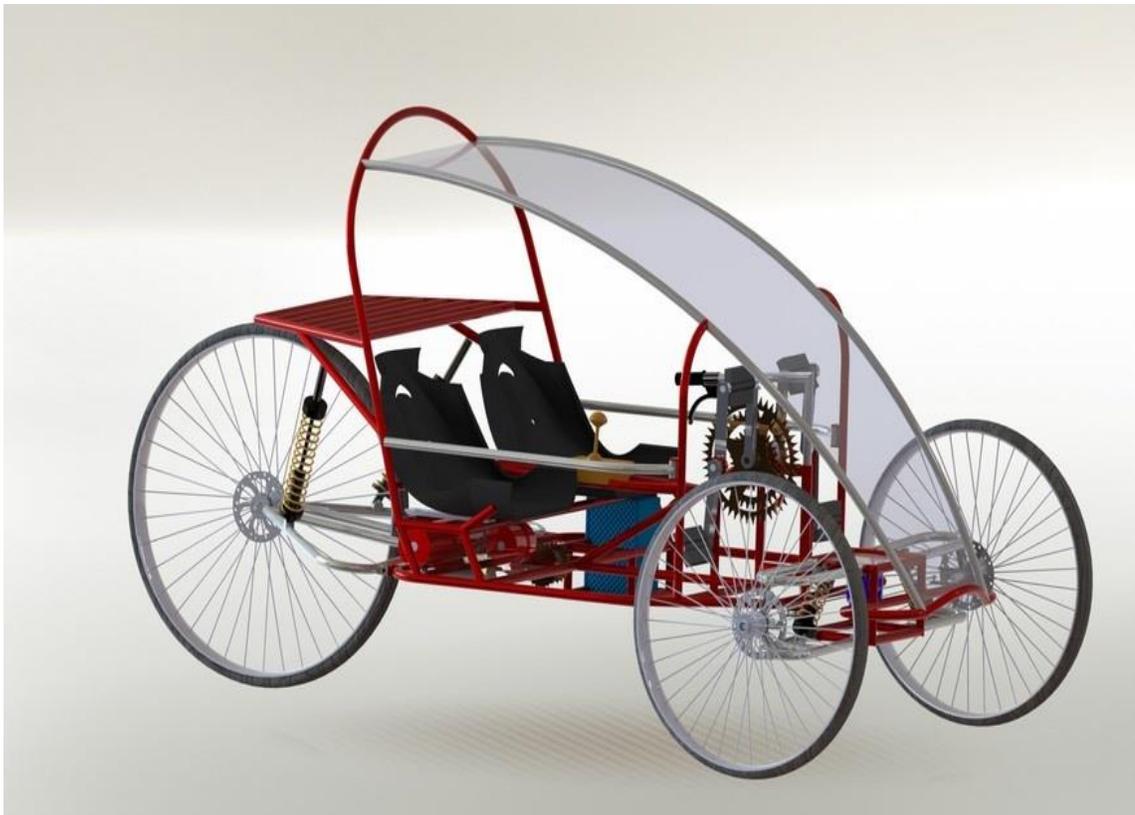

Fig. BASIC MODEL OF EFFICYCLE

ACCOMPLISHMENTS:

- TEAM HURRICANE participated in EFFICYCLE 2k18 and achieved AIR 33.
- TEAM DEMONS participated in BAJA the biggest and prestigious engineering competition for the first time and has cleared virtual with 115th Rank out of 400 teams.
- TEAM GCEK participated in Go-kart Non-SAE event and achieved 33rd rank.
- SAE Club conducted AUTOEXPO in Aavishkar 2k19

15. Club: Cyber Security Club

Activity: Two days' workshop on "Cyber Security & Ethical Hacking"

Resource Person: Ajinkya Lohakare, CTO & Founder of Social-Spectra & Dreamsofts

Total Participant: 65

Total Expenditure: Rs.19000

Photographs of workshop on Cybersecurity & Ethical Hacking

8.4 Innovation and Incubation center

Government College of Engineering, Karad has established CIIS Start-Up and Incubation Cell. The Startup Cell envisioned having enrolment of start-ups and supporting self-entrepreneurship for students and faculties. This facility is going to be made available to all budding entrepreneurs of

The Objectives of CIIS Startup Centre are:

- To nurture culture of innovation at campus.
- To inculcate a culture of innovation driven entrepreneurship.
- Helping idea to translate into reality and upgrade them to the level of commercial value.
- To promote new technology/ knowledge/ innovation-based start-ups.
- To encourage solving real problems.
- To create value added jobs and services.
- To provide a platform for speedy commercialisation of technology developed by new entrepreneurs.
- To build a vibrant start-up ecosystem, by establishing a network between academia, financial institutions, industries, and other institutes.

the region. The Aim of CIIS Start-up and Incubation Cell is to facilitate, promote and

nurture entrepreneurship. Nurturing environment leads for young start-up and spin-out technology companies; alleviating their survival and growth, thus encouraging them to reach their full potential. The Cell aspires to develop individual talent, skills and personality to give each business the best possible start, thus fostering entrepreneurship at a local and national level.

The following facilities are provided to register startup entity:

- Furnished as per the requirement of the entity
- Internet, electricity, and water facility
- Hostel facility and Guest House Facility: Rooms are available in reasonable rate for Start-up Centre in Guest House in GCE Karad campus.
- Laboratory and Workshop facilities
- Library facility
- Support for legal and financial advice by empanelled consultants
- Mentoring support from institute
- Interactive workshops with Angel Investors and Venture Capitalists
- Facilitation of bank loan

Annual Report 2019-20

- Canteen and Food Facility: Food/ Snacks/ Tea available in GCEK canteen, which is situated at 50 yards distance from the Start-up Cell.

Photograph of CIIS GCEK

Strategy:

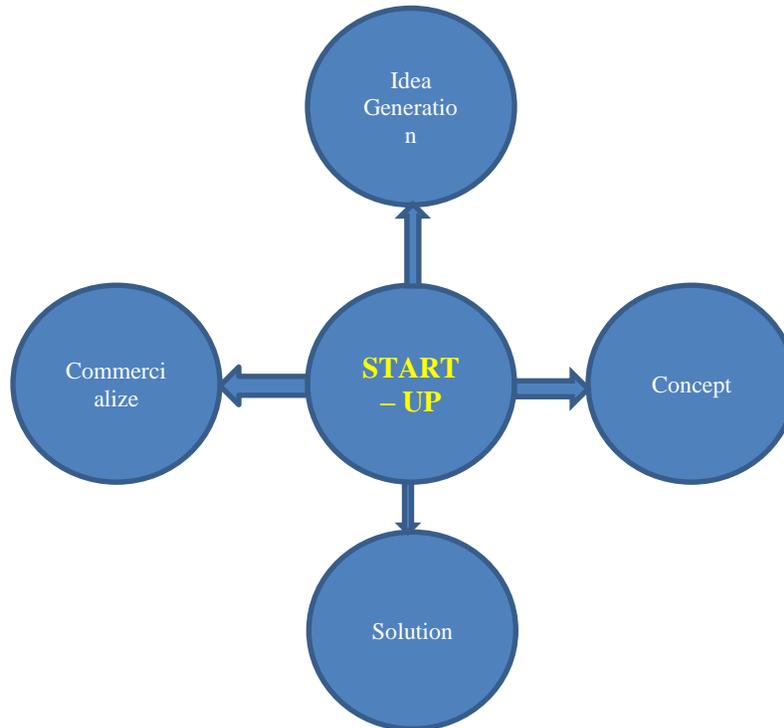

CIIS committee of GCE Karad accepts application for start-ups scrutinises the application and takes decision regarding the conceptualisation, funding and commercialization of project. The projects are incubated in IIS with mentoring and all possible help is provided then graded depending on grading system the project are seed funded from INR 10000 to 1 lakh and in later stage are sent to

financial organisation like venture capitalists and other financial companies for further growth and funding.

CIIS GCE Karad takes into consideration for Start-up

- Idea Generation: -
- Commercialize
- Concept
- Solution

CIIS organizes regular meetups of venture capitalists and other financial companies from time to time

Representation at National Start UP SUMMIT Organized by AICTE

AICTE meet at Science Congress at IIT Madras

AICTE New Delhi the apex organized a workshop for start-up activities during Science Congress at Chennai. It was addressed by the vice chairman Of Niti Ayog and Dr Bhatkar.

The workshop was addressed by several successful start-up owners.

Our Institute represented the workshop.

Very few institutes had privilege to attend the workshop GCE Karad was represented by Dr R B Kulkarni

Meeting with Mr. Sanjay of Kerala start up Village and several start-up owners during the science congress

Proposal to Atal Incubation Centre

The Institute has applied for Atal Incubation Lab. The NITI Aayog has started Atal Incubation Lab where in each will get a finance of 10 crores to start incubation activities in their institute. The Institute has also applied for other start-up activates grant to Govt and Non-governmental Institutes.

Entrepreneurship Orientation and Incubation Program with Millennium minds

The institute has a done an MOU with Millennium minds an NGO working to promote business and start-up activities in the institute

The founder of Millennium minds Upendra Rai and startup founder conducted a one-day workshop on the experiences of starting a Startup. They elaborated how startups will help to ease the burden job vacancy Millennium minds is also helping to conduct more programs with the help of successful entrepreneurs

GCEK Satara Entrepreneur meets at Government College of Engineering Karad

The Institute organized the a summit of Entrepreneurs in and around Satara .The founder of Sun candles from Mahableshwar Bhavesh Bhatia who is successful Entrepreneur was invited for inaugural talk Mr. Bhavesh being Blind has done remarkable progress in business in order to promote him as role model GCEK invited him for the program. The sessions were specifically in tune with the government of India start up policy and start up India initiative Start-Up India, Stand-Up India, MUDRA Yojana, &Other Funding Resources Start-Up Stories of Engineers Flipkart | OLA Cabs | Paytm | Rebus Getting Started your Business through Startup India Learning Program Online e-Biz Portal were conducted .

The second session was an open forum conducted with seven entrepreneurs from Satara district. These start-up founders shared their business success with the students. The students also participated in big numbers. The response from the students was very excellent. The program in a ling run will inspire many students to become and entrepreneur himself

Annual Report 2019-20

IIC activity Report 2019-20

Centre of Innovation Incubation and start-up is conducting various advanced activities such as

Rapid prototyping, 3D printing, and Augmented Reality & Virtual reality for research purpose for BTech and MTech students.

3D printing

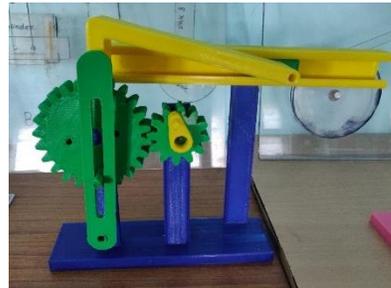

Radial engine Sun and Planet gearing mechanism

Geneva mechanism

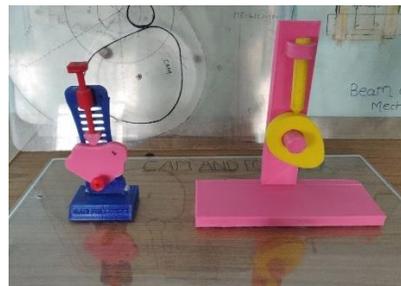

Oldham coupling mechanism

Withworth quick return mechanism

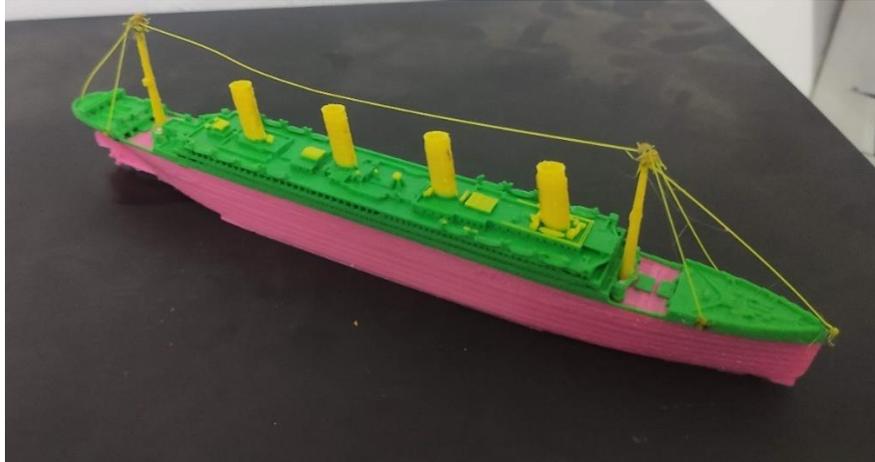

Beam engine mechanism

Models were designed and 3D printed for study and demonstration purpose by **Mr. Sumeet M Alhat** (S. Y MTech. Production Engg.)

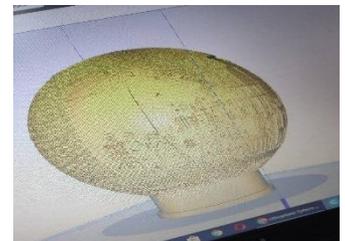

Innovative ideas on multi-colour 3d printing was implemented by Mr. Dipen Palwankar (T.Y Information Technology)

- **Lithopone:**

- We have also designed and 3D printed Lithopone.
- These are 2 D images converted into 3D. The images were given depth based on the intensity of the colour in different parts of the image, i.e., darker the colour means more its thickness.
- Due to this, we can see the actual image when light is shined through its back side.

Printed Examples:

Incubation Centre Activity Report

1) Basics of 3D Printing – Workshop by Rio 3D Printers

- A one-day workshop on basics of 3D printing. Slicing was explained and demonstrated using CURA slicer. Different parameters were explained according to different types of

applications. They also showed previously printed models, printed with different parameters provided through CURA software.

2) Integration of IOT and AR – Workshop by PTC, Pune

- A workshop focusing to give an insight on Industry 4.0 and the new methods and technology that will be adopted to make detection, analysis and execution more efficient and easier to carry out.

- Main technology demonstrated was integration of Internet of things (IOT) with Augmented Reality (AR) in industries.
- They also showed their ongoing projects that will be deployed in industrial systems

3) Storytelling session – Vikram Aditya Gaikwad, founder Ascent Games

- A session organised to share experience of senior students with their juniors so that they can get an insight of the work ethic and method required to practically apply their knowledge.

- The main speaker was Mr. Vikram Aditya Gaikwad, founder Ascent Games, who shared his story of how he worked on his passion of game development and turned it into a company and is producing games on Google Play Store.

4) SIH Awareness – Webinar

- A live webinar arranged by SIH to inform and encourage students to participate and innovate in the Smart India Hackathon (SIH).

5) VR Equipment – Demonstration

- The latest Virtual Reality equipment was demonstrated, and setup was explained to students and an insight was given on how this technology has applications in different fields like medical, military, aviation, etc.
- The Samsung HMD Odyssey was used.

6) 360 Image capture – Demonstration

- 360 Image capture technology was demonstrated with various applications.

7) Drone Technology – Demonstration

- The latest drone technology was demonstrated using the DJI Phantom 4 Drone (Quadcopter).
- The software for controlling was explained and students were briefed about application in different fields.

8) WORKSHOP ON 3D GAME AND VIRTUAL REALITY: -

- Session 1:
- Day one of the workshop was full of enthusiasm and excitement for the students as Virtual Reality was new Concept to them. At first, they explained the things about basics of software that can used for this VR and where it is used. It was a brief introduction about uses and importance of Augmented and Virtual Reality (AR and VR).
- Introduction to Virtual Reality
- Overview
- Planning
- Technologies
- AR VS VR (AUGMENTED REALITY VS VIRTUAL REALITY)
- DISPLAY TECHNOLOGIES
- Head Mounted Display
- Contact lenses
- Eyeglasses
- Handheld devices (Mobiles, Tablets etc.)
- VR Applications
- Software Distribution
- Session 2:
- 3d unity
- Software Installation
- Working on 3d unity
- Basic Functions of 3D Unity
- Basic ball game design using Unity
- Advance ball game design using Unity
- DAY-2
- Session 3:
- Designing an environment like “Temple run game”
- Creating Coins with animation
- How to display a score
- Designing sky boxes, mountains, trees, water etc.
- Designing a Virtual Maze game

Annual Report 2019-20

- Session 4:
- Virtual Reality Kit distribution
- Virtual Reality Google Headset building
- Demonstration of live VR projects developed by students.

9) GUEST LECTURE ON “INTRODUCTION OF COMMUNICATION SKILLS AND DEVELOPMENT”

The topic was introduction of communication skills and development. The speaker for the session was Mr. Amol Krane. He gave us the general introduction to the different communication skills. All the first-year students were full of enthusiasm and excitement as sir shared many of his life experiences and communicated with

students freely. The knowledge of interview skills and develop skills for personality was given.

8.5 Sports and other activities

REPORT OF THE SPORTS ACTIVITIES IN YEAR 2019-20

- We have gymkhana of 3000sq ft to play indoor games.

Annual Report 2019-20

- Our college students take part in 14 different sports and around 200 students participated in zonal and few of them also selected for Inter zonal tournament. Students participated in zest 2020. (All India Inter Engineering Tournament organised by COEP).
- Volleyball team and 1 Athletes participated in Aavhan, IIT Bombay.

ZONAL and INTER ZONAL TOURNAMENTS

- Table Tennis (Men) team of college got 3rd place in Zonal sports and got 2nd place in Inter Zonal tournament.
- Football (Men) team of college got 4th place in Zonal sports and qualified for Inter Zonal tournament.

- Chess (Women) team of college got 2nd place in Zonal sports and qualified for inter zonal tournament.
- Basketball (Men) team of College got 2nd Place in Zonal Sports and qualified for Inter Zonal Tournament.
- KHO-KHO (Women) team of College got 4th Place in Zonal Sports and qualified for Inter Zonal Tournament.
- Badminton (Men) team of college got 3rd place in Zonal sports and qualified for Inter Zonal tournament.
- Baseball (Men) team of College got 4th Place in Zonal Sports and qualified for Inter Zonal Tournament.

ZEST 2020 (Inter Engineering Sports Championship)

Athletics: -

➤ Sonal Sangade	100m	2 nd place
➤ Sonal Sangade	200m	1 st place
➤ Sonal Sangade	400m	2 nd place
➤ Sonal Sangade	100m Hurdles	1 st place
➤ Sonal Sangade	400m Hurdles	1 st place
➤ Poonam Dhumal	800m	1 st place
➤ Poonam Dhumal	1500m	1 st place
➤ Poonam Dhumal	100m Hurdles	1 st place
➤ Shivani divekar	long jump	1 st place
➤ Manasi chougule	tripal jump	1 st place
➤ Manasi chougule	long jump	2 nd place
➤ Manasi chougule	400m hurdles	2 nd place
➤ Girls Relay	4*100	1 st place
➤ Mix Relay	4*100	2 nd place

Annual Report 2019-20

By achieving this great success, we also got best athlete award

Sonal sangade: Best athlete of ZEST2020

AAVHAN 2019(IIT BOMBAY)

Inter Engineering Sports Championship

• Athletics:

Sonal Sangade- 100 mtr 2nd place

Sonal Sangade- 200mtr 3rd place

Volleyball (Boys) team played Semifinal in Aavhan.

Disaster Management Activity:

In July 2019 due to flood and heavy rain in Western Maharashtra collector of Sangli and Directorate of Technical Education Mumbai appointed GCE Karad for disaster management a specifically for technical support. Team of UG and PG 100+ students and 10+ Faculty members

did damage assessment survey of flood affected houses in Palus Taluka. Survey of tentatively 50+ villages and 15000+ houses have been carried out and exhaustive report is submitted to collectorate of Sangli and appropriate action was initiated. for this activity collector office and DTE Mumbai was appreciated activity of the institute.

Impact Analysis and Action Taken:

The all-round development or holistic development of an individual is only possible through balanced development of scholastic or academic as well as non –scholastic or non-academic aspects in the formal, in-formal and non-formal educational setting in the society. Institute plans different activities which

comprises curricular, extracurricular as well as co-curricular educative experiences which provides inside as well as outside the classroom. these activities provide opportunities of self – expression and participation which include various important traits in learner. Psychologically these activities are considered essential because they provide outlets for the

Annual Report 2019-20

flow of the surplus energies of the students. Such activities have increased different skill sets of the students and enhanced placement and employability of the students. This has leads to

Mentoring and Counselling System

Mentoring and counselling system is implemented for technical and overall student development for four-year UG courses. Mentors are allotted in the first year for 20 student group. Respective Department allot mentors from second year onwards for the group of 20 to 25 students.

The mentor will perform the following duties,

- Continuously monitor, counsel, guide and motivate the students in all academic matters
- Contact parents/guardians if situation demands e.g. academic irregularities,

increase in the attainment levels of POs and PSOs for fulfilling the outcome-based education in the institute.

negative behavioural changes and interpersonal relations, detrimental activities etc.

- Advise students in their career development/professional guidance
- Intimate HOD and suggest if any administrative action is called for
- Maintain a brief but clear record of all discussions with students
- Advise students regarding choice of electives, project, summer training etc.
- Encourage to the student to be in contact with the mentor after their graduation

Mentoring during Induction Program for First Year Students

Head of the Department: The HOD will,

1. Advice mentors wherever necessary.

2. Initiate administrative action on a student when necessary.

3. Keep the head of the institute informed.

The faculty monitors their progress and reports to teacher-in-charge. This mentoring is for overall development of the student. Faculty advisor meets the students frequently and discusses various issues including classroom lectures, laboratory performances, participation of seminar / conferences and technical event, any academic difficulty faced and career development.

Type of Mentoring:

- Professional Guidance - regarding professional goals, selection of career, higher education.
- Career advancement - regarding self-employment opportunities, entrepreneurship

development, morale, honesty and integrity required for career growth.

- Course work specific - regarding attendance and performance in present semester and overall performance in the previous semester.
- Lab specific - regarding Do's and Don'ts in the lab.
- All Around Development: Mentoring will support students in addition to academics, literary, cultural and sports activities are conducted which offer leadership qualities, decision making abilities, team spirit, precision, analytical capabilities, socio- psychological awareness etc. which make an individual intellectually mature being.

8.6 NSS / Unnat Bharat Abhiyan

National Service Scheme (NSS Unit)

National Service Scheme (NSS) has been playing a vital role in enriching the souls and minds of the students at the college since long time. The overall objective of this scheme is 'Education and Service' to the community and by the community. It is a programme for students to cater to the needs of the community, as and when required. It will also help the students to communicate with the society. The students joining this scheme develop many behavioural interactive skills. They visit the rural areas as

NSS volunteers during the camps organized by the concerned colleges. The NSS volunteers take initiative in developing a Technocratic environment and also helped the underprivileged people to develop themselves. The scheme promotes the ability to present them in a better way. Thus, the goal of the scheme is to strive to inculcate the bond of patriotism, national integration, brotherhood, communal harmony among these volunteers. Following are the activities done under NSS unit in academic year 2019-20.

Annual Report 2019-20

2) Independence Day and blood donation camp (15th August 2019)

Hon Principal Dr. A. T. Pise hoisted the flag. Blood donation camp was organised by NSS students under the guidance of Hon. Principal Dr. A. T. Pise sir and Programme coordinator Dr. K. N. Alasundkar, Prof. A. B. Chaudhari, Prof. Mrs.

U. S. Patil, Prof .Mrs. S. D. Kadam, The blood donated by NSS volunteers was donated to Smt. Venutai Sub-District Hospital Blood Bank Karad. Faculty, staff and NSS volunteers donated 53 bottles of blood.

Blood donation camp Aug 2019

3) Cleanliness Camp at GCE Karad on the Occasion of Mahatma Gandhi 150th Birth Anniversary Plastic Free Campus (02/10/2019)

Cleanliness camp was organised by NSS unit of GCE Karad on the occasion of 150th Birth Anniversary of Rashtrapita Mahatma Gandhi in which NSS F. Y. B. Tech. and S. Y. B. Tech. Student cleaned the campus of Government

College of Engineering Karad. Cleanliness camp was organised by NSS students under the guidance of Hon. Principal Dr. A.T. Pise sir and Programme coordinator Dr. K. N. Alasundkar along with 5 departmental coordinators

Cleanliness derives by students

4) Celebration of NSS Day at Government college of Engineering Karad (26/09/2019)

NSS day 24th September celebrated by arranging lecture on Water pollution and its bad effect on human beings by Dr.K.N. Alasundkar and Mr. Kedar Parandwal explain importance of NSS activity in society. First Year Engineering students of Information technology and F. Y. B. Tech. Mechanical department celebrated NSS

day on 26/09/2019 by plantation of trees on the campus of GCE Karad under the guidance of Hon. Principal Dr. A. T. Pise, Dr. K. N. Alasundkar, Prof. A.B. Chaudhari, and Prof. Mrs. U. S. Patil, Prof. Kashmira patil, Prof .Paymal S. B. Dakole madam and Mr. Kedar Parandwal as Student NSS Secretary.

Tree Plantation on NSSS day celebration

5) National Service Scheme Cleanliness camp at Narsinghwadi after flood (04/09/2019)

On 4th September 2019, the 20 student coordinators of NSS had helped in rehabilitation

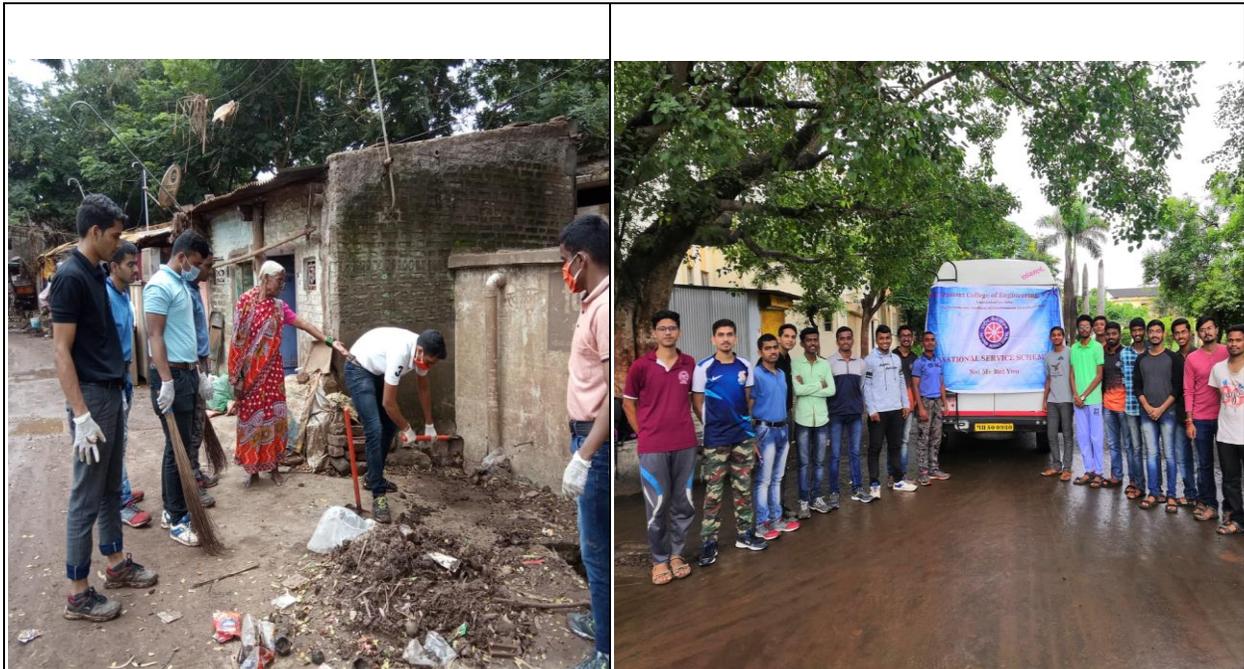

and cleaning campaign in flood affected area at Narsinghwadi of Kolhapur district. The

Annual Report 2019-20

coordinators had given their full efforts in helping people for rehabilitation including Talathi office, Bus stand. Poor and old helpless people who were looking for help to revive their houses got a helping hand and they were extremely happy to get such a help from students of GCE Karad. Students also helped primary school staff to shift hole NSS team at his office.

their benches and organising classrooms. Local community got a big help because of NSS coordinators and were glad because of our social work. The MLA of area, Mr. Ulhas Sambhaji Patil recognized the dedicated efforts of students in social work and felicitated w

Some of the Glimpses of NSS activity at Narsingwadi as follows:

National service scheme cam at Narsihwadi after flood Sept 2019

Annual Cultural Day: Every year two days program is conducted in month of February in institute. Students shows their cultural talent, in various cultural activities namely *Kavya samelan, Abhirup Nayalay, Anatakshairi, Group Dance, Solo Dance, Solo*

Cultural activity: Cultural activities are conducted throughout the year. In first semester students take part in Youth festival conducted by Shivaji university and consistently our students are bagging prizes in different activities. Also, the club named SPEAK MACY arranges various traditional cultural programs of different states to make students aware variety of Indian culture. Institute have developed music instrument

Singing, Duet singing, and mimicry. Most of the students take part in different activities and enjoy the program. Here they learn working with team, they understand Indian culture, ethical values, importance of communication and lifelong learning.

playing students team, it assists in every cultural program conducted in the institute. Various national days such as Independence Day, republic day, Gandhi Jayanti, Science Day, Engineer's Day, Women's day, Teachers day are observed in institute. Annual college day activity is conducted every year to show the cultural talents of students. Here they understand diversity of

Annual Report 2019-20

Indian culture, leadership, importance of communication and lifelong learning.

Aavishkar: GCE Karad organizes AAVISHKAR as technical event every year. Various activities are organized such as technical events (department level), project exhibitions, paper presentations, motivating lectures by renowned personalities etc. This activity specifically organized to enhance various skills of the students such as technical presentation, experimental skills, leadership, working in team etc.

Ideathon:

The Ideathon was a Hackathon where students worked for continuous 36hrs on a problem statement to provide a unique and creative solution for the problem. The event started on 27th February 2020 at 8 p.m. and after continuous 36 hrs. efforts of students which included 4 in between evaluation and on final evaluation, it ended on 29th February 2020 at 9 a.m.

Main Day Event:

The main day event of Aavishkar'20 comprises of a total of 15 sub-events which includes 8 technical and 6 non-technical sub-events. Each event was organized and planned aiming to improve the skills of students in one way or another. The names of the sub-events are as follows:

Technical events:

This year the main theme of Aavishkar was Sustainable Development. Corresponding to this, the tagline for Aavishkar was decided as Technology Nurturing Ecology with a primarily focus on how sustainable development can be achieved.

This year Aavishkar'20 was conducted on 29th February 2020 and 1st March 2020 along with near about 2500 participants. The event was divided into 3 main aspects covering 3 different events – Ideathon, Main day event and Dhishan.

1. Bridge-o-mania: Inspection and Loading of the beam.
2. Cadroit: Planning, CAD and Surprise round.
3. Technotrick: Circuit designing from given electronic components.
4. Assemblohunt: Problem to be solved by Treasure hunting and assembling the mechanical parts.
5. Codigo: Aptitude test and Coding Round.
6. Electrotrinity: Designing and simulation of digital electronic circuits.
7. Dazzle Coding: Coding test and blind coding while the screen is off.
8. Code Shuffle: Online coding test and coding round.

Non-Technical events:

1. Auction: Competition of bidding on players
2. GCEK Idol: Singing Competition

Annual Report 2019-20

3. Quizzer blast: Aptitude and General knowledge test
4. Box Cricket: Restricted cricket competition
5. Hire Me: Marketing, Group Discussion, and Interview (Soft skills competition)
6. Robothon: Robot building competition

Dhishan:

The second day of the event was Dhishan – A talk series of 5 speakers with aim of pursuit of knowledge which was started by Aavishkar this year to guide the students to an even brighter future. It went ahead with the inauguration of the event after which the first talk of the day started. The five speakers enlightening the students were:

1. **Mr. Harshal Bhosale:** AIR 1 in UPSC-IES 2019
2. **Mrs. Komal Pawar Godase:** First girl in India with the successful transplantation of Heart & Bilateral Lungs.
3. **Mr. Yajurvendra Mahajan:** Social Worker
4. **Major General (Retd.) Vikram Dograh:** Ironman of India
5. **Dr. Girish Charwad:** Musician fighting crime

After the successful talk of all the speakers, the event ended on grand note.

Renowned achievers talk in Aasvishkar event

Purushottam (Abhiyanta) Karandak: A national level elocution competition is conducted by our institute in the month of February every year. Engineering students from every corner of country participate in the competition enthusiastically. Students are felicitated with

momento and cash prizes. Here students learn to how to organize events at national level. Also, they learn to work in team collaboratively, understand ethical values, improve communications and nurture innate talents.

Ladies activity: To promote ladies from our campus, various activities are conducted such as Sand activity, Bangle Making activity, Ear-rings making, Nail-art, Guest lecture, self-defence, Zumba activities, Dandiya. GCE Karad girls and

ladies staff members take part and improve their different versatile skills such as ethics, communication skills, lifelong learning, environmental sustainability etc.

9. INDUSTRY INSTITUTE INTERACTION

9.1. Training and Placement

To Enhance Placement Activities

1. Industry Expert Board Meetings
2. Industry Expert Lectures
3. Internship
4. Industrial Visits
5. Employability Test
6. Skill workshops for students

Brief information about each activity is as follow:

a) Industry Expert Board Meetings

This is unique institute to form Industry Institute board to enhance Interaction. There are minimum 5 industry members who are having more than 20+ year of experience from industry of repute. The Board advises department about internship, curriculum, visits, expertise availability etc. It is suggested to increase the number of advisors on

Board to 10 to enhance Industry Institute Interaction. All departments are advised to conduct a meeting within next 2 months.

This IEB meeting have helped us in arranging expert sessions, assisting in internship to students, allowing students for industrial visit.

b) Industry Expert Lectures

Annual Report 2019-20

Experts from Industry are called to give field experience to students. This year also many industry persons showed keen interest and shared their experiences with students giving updates about current practices in industry.

Our alumni is helping a lot for arranging expert sessions of their colleagues from company, HR Heads and persons they know well about expertise.

c) Internship -

Internship for UG in Civil Mech & Electrical was a part of curriculum. Now in autonomy we also have made it mandatory for students from E& TC and IT. They are encouraged to do internship especially in a good organization where their skill will be enhanced. In IT and ENTC there are few companies which allow such internship. In such cases we are hiring services from expertise for skill-based training in the campus.

d) Industrial Visits -

Industrial Visits are good measure of Industry Institute Interaction and exposure to students about field. This year also departments are arranging industrial visits to different industries including originations like ISRO. Students learn by observing good practices in industry which help them for enhancing their employability.

e) Training

.

g) Placement and Internship

Placement 2019-20

Corporate training program was conducted from 13 December to 24 December 2019 11 days, where online app was demonstrated to students. Now students can do practice on aptitude test to prepare for placement drive using mobile which will save their time and they can use even in travel. Each department organizes expert lectures from industry person to understand industry requirements and industry expectations.

f) Employability Test

A test to assess employability was conducted in five days from 27 to 31 August 2018 with assistance of TEQIP III funds. Test was conducted by Aspiring Minds, a renowned agency. It reveals students technical as well as soft skill. Results will be sent by said organization to students on their mail. @1600 students gave the test and institute paid about Rs. 3.00 Lakh for the same.

After this test Career Counselling was done where students interest, SWOT analysis and Goal setting was done. From this information it can be concluded that due to change in technology and emerging artificial intelligence, students are more interested in MPSC / UPSC and Dean Students Affair should go for arranging activities to boost these aspirations of students. Also, students have shown interest in higher education and start-ups

Annual Report 2019-20

GCEK 112 students have been offered six-month pre-placement internship but only **72** students accepted it and some of them are likely to join in July 2020 after their internship. That data is not included here

Highest package is 12 Lakh and average package is 3.8 LPA

For year 2019-20 our final 49-year students got valid GATE score and likely to get admission in IITs and NIITs

9.2 Internship

Internship for UG in Civil Mech & Electrical was a part of curriculum. Now in autonomy we

* indicates result awaited or drives scheduled. Few more companies are likely to visit and placement offers may cross 250. Students of MCA other than mentioned above are doing internship in various MSME

also have made it mandatory for students from E& TC and IT. They are encouraged to do

Annual Report 2019-20

internship especially in a good organization where their skill will be enhanced. In IT and ENTC there are few companies which allow such internship. In such cases we are hiring services from expertise for skill-based training in the campus.

We are encouraging internship to all students from first to third year. Internasal is helping us in giving internship to students. About 700+ students are registered on portal for internship related program.

Alumni activities status

a. Alumni Connect

Annual Report 2019-20

In lockdown period Alumni Connect was done by webinars

Many UG and PG students conducted online webinars, sent presentations and videos helpful for students.

9.3 Training

In addition to regular classes, TPO conducts different programs for Personality Development, communication skill and professional skill development. For aptitude test training we conducted training of Globarena from 18 June to 27th June 2017. Additionally, online subscription for aptitude test was provided to students. Online performance was monitored and a student with at least 70 hours of aptitude practice was allowed for placement. This improved their aptitude ability and made them aware about requirement of skills they need for a quality job. All staff coordinators and TPO staff were engaged for the

corporate training. Hostel facility was also made early available to students as college admissions were yet to happen before training. Every department organized expert lectures from industry person to understand industry requirements and industry expectations.

1972 batch alumni conducted one-day workshop for Final Year students “Inspire 2016” where about 7 experts with 40+ experiences from industry conducted sessions on different engineering issues and product development.

Civil

Sr. no	Name of Faculty	Date	Particulars	Dept.	Venue
01	Prof. A. A. Bhondwe	May to July 2019 (8-week Course)	Remote Sensing and GIS applications in Coastal and Ocean Sciences	Civil	Indian Institute of Remote Sensing (IIRS) Dehradun

9.4 Memorandum of Understanding

Following Mou's are signed in academic year 2019 -20

1. MOU with INDO German Tool Room, Aurangabad (IGTRA)
2. MOU with Veermata Jijabai Technological Institute, Mumbai (VJTI)
3. MOU with Globarena Technologies Private Limited
4. MOU with Walchand College of Engineering Sangli
5. MOU with College of Engineering Pune (COEP)
6. MOU with GE Gride Solution

Annual Report 2019-20

7. MOU with O2 Breathing Brain
8. MOU with Rio 3D
9. MOU with Red Hat India Private Limited
10. MOU with Deltiin India Tech. Ltd
11. MOU with CMTI Bangalore

Departmental MOUs

		Non-Government (Private) - DAS Offshore Pvt. Ltd., Mumbai - Proof Checking of Sewage Treatment Plant Re-designed	75000/-
11	Prof. A. H. Kulkarni	Non-Government (Private) - DAS Offshore Pvt. Ltd., Mumbai - Proof Checking of Sewage Treatment Plant Design	150000/-
		Non-Government (Private) - DAS Offshore Pvt. Ltd., Mumbai - Proof Checking of Sewage Treatment Plant Re-designed	75000/-
12	Dr. A. M. Sapkal	To frame specifications for CCTV System, Online UPS, Image & Video Processing Lab, VLSI Center.	—
13	Dr. A. M. Sapkal	Testing of various AC & DC Drives, SMPS, UPS, Wi-Fi system, CCTV System	—

10. ENVIRONMENT MANAGEMENT

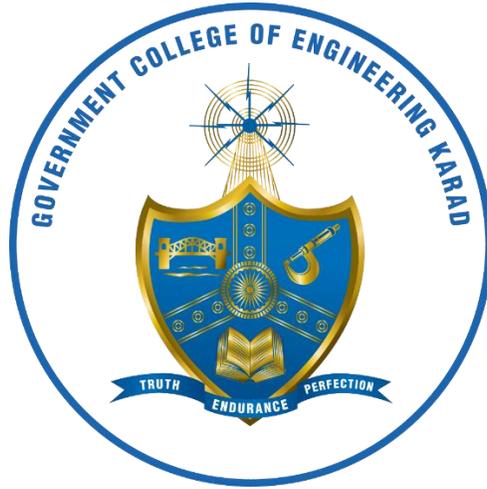

10.1 Activities

Environment Management Plant for 2019-20

1. Drinking water quality and supply.
(Work is in progress)
2. Wastewater treatment aeration.
3. Solid waste treatment (Biogas plant)
(One Plant is working)
4. CWET (Solar Panels and Wind Energy
Data Collection)
5. E waste management by putting dust
bins at some points in the college.
6. Laboratory and fire safety by fire
extinguishers.
7. Assessment of illumination labels.
8. Energy audit in laboratory.
9. Development landscaping of the
campus.
10. Signposts for plantation and water
conservation.
11. Ramps and Barrier free access and lifts
for the campus.

Construction of Hostel D part (work is in progress)
